Vocationally*

InterVarsity
Press
"The
reshaping of
our cultural
and social
landscape
continues,

creating
unprecedente
d
opportunities.
But one
question
remains: Is a
life of faith

worth embracing? A Faith for the Generations explains how a Christian campus, a classroom, or even a simple mentoring relationship can flourish and serve in passing on faith to today's emerging adults. The essays included in this monograph cover a variety of topics related to the theme originally addressed at the 2014 Taylor University Higher

Education Symposium: "A Faith for the Generations: How Collegiate Experience Impacts Faith." After this brief introductory chapter, the monograph—as did the symposium—begins with an interview with Christian Smith, previously noted as a key voice in the current dialogue regarding emerging adult spirituality. This interview is not only insightful, but

it also creates an excellent context for what follows in subsequent chapters." *Consuming Youth* InterVarsity Press The Christian Today Study Series delves into today's vital cultural issues to get to the heart of what these topics mean to you. Each 8-week study is based on articles written by some of today's leading Christian authors and published by the Christianity

Today magazines. These remarkable studies will foster deep, authentic, and relevant discussion that will challenge and grow any small group. Faith & Work will take on a variety of topics, such as: Work-Drudgery or Delight? Ambition and Achievement A Witness at the Workplace Work & Sabbath Rest Based on articles by a variety of authors, such as: Chuck Colson

Christine Gardner Marshall Shelley *OMG BRILL* In *Mothering, Public Leadership, and Women's Life Writing*, Claire E. Wolfteich presents a series of case studies in Christian spirituality, bringing a theological analysis to mothers' autobiographical writing. [Moral Courage in Organizations: Doing the Right Thing at Work](#) The Pilgrim Press Today's relentless,

consumer culture—dominated by popular media's emphasis on bigger, better, and more, and catering to teenagers every want and desire—is leaving our youth adrift in a sea of conflicting messages. Messages that every youth worker must be able to decode and redirect away from the material world towards helping young people become who God created them to be: givers instead

of receivers,
servers
instead of
consumers.
Consuming
Youth is for
any adult who
recognizes
that following
Jesus means
leading young
people
through the
pitfalls of
consumer
culture,
helping them
discover
vocation—where
their great
gladness
meets a
world's great
need, and
unleashing the
kingdom of
God on earth.
A Good Way
to Go
Westminster
John Knox
Press

In the thick of
modern life,
we are
tempted to
forget what
we are doing
and why we
are doing it.
We are busy
socializing,
building
careers, and
looking for
fun—but
what's it all
for? The
ancient
concept of
“vocation” has
recently
gained
popularity as
we return to
questions
about the
meaning of
life. Almost all
religions
include the
idea that
divine
purposes

should guide
our lives;
Christianity
has
particularly
accented it.
The God who
called Israel
and sent Jesus
has something
in mind for us.
God's call
challenges us,
but also opens
us to the best
sort of life
imaginable. In
Living
Vocationally,
the challenge
and the joy of
the called life
is thoroughly
explored. Part
one considers
the benefits of
living
vocationally,
biblical
traditions of
call, and
subsequent

Christian understanding s. Part two examines why vocation pertains not only to careers, but indeed touches every dimension of our lives and encompasses our full journey through life. Because every person's life includes many callings, some very difficult, part three considers the virtues we need to live the called life well. Living Vocationally demonstrates why to have found a calling is to have

found a good way to live. **Servant of All** Westminster John Knox Press There are a variety of people, practices, and celebrations in the Catholic Church. At times some of these can be dismissed too easily as extreme, superstitious, or uninformed. Such is the case with the Penitentes of New Mexico. In *I Was and I Am Dust*, David M. Mellott shares his experiences of the Penitentes

as an outsider. Through the voice of Larry Torres, one of the senior members of the Penitentes, Mellott poignantly provides readers with a more intimate picture of this community of practitioners. Readers may be surprised to discover a depth of meaning in these seemingly extreme Holy Week rituals and to realize the beauty of being dust. [The Teachers of Spiritual Wisdom](#) ACU

Youth ministry
has
increasingly
lost touch with
its origins in
the way of
Jesus and the
social
practices
intrinsic to
Christian
discipleship,
and has
instead
substituted
layers of Jesus
talk, middle
class values,
fun and
games, and
doses of warm
fellow-feeling.
Awakening
Youth
Discipleship
articulates the
history of this
domestication
of youth and
ministry.
Mahan,

Warren, and
White tell a
story of the
ways in which
our society
has colluded
to shape a
domesticated
adolescence.
The authors
believe a
Christian
response to
this challenge
must be
multilevel,
addressing
the problem at
three levels--
society,
church, and
individual. The
authors
propose
reclaiming
practices of
discernment
that both
engage
congregations
in social
awareness

and involve
individuals in
discerning
fuller
vocational
opportunities
than those
allowed by
popular
cultural
norms.

through a
process of
self-reflection
that leads to
intentional,
transformative
teaching,
dialogue, and
reform in
theological
education and
religious

studies. *What Am I Supposed to Do with My Life?* Cambridge University Press How do you decide what to read? Dan Gibson, Jordan Green and John Pattison have created this tool to make your choices easier. Besides the Bible is a guide to the wide array of great books that they believe every Christian should read—the ones that matter to the church and

the world. The Heart of Catholic Social Teaching Baylor University Press Leadership that seeks to be effective must navigate the emotional systems, learning habits, and power dynamics of any community it hopes to serve through seasons of change. When conflict, stagnation, and decline threaten an institution's imagination and sustainability, leaders must

be adaptable, self-differentiated, discerning, and liberation-minded if they are going to cast a vision for—and lead the work of—transformation. With experience and practicality, Sarah B. Drummond offers critical tools, social theory, and theological perspective to equip leaders in organizational change. The Schooled Heart Augsburg Fortress Publishers With the

twelve-volume series Feasting on the Word, Westminster John Knox Press offers one of the most extensive and well-respected resources for preaching on the market today. When complete, the twelve volumes will cover all of the Sundays in the three-year lectionary cycle, along with moveable occasions. The page layout is truly unique. For each lectionary text, preachers will

find brief essays" on e each on the exegetical, theological, pastoral, and homiletical challenges of the text. Each volume will also contain an index of biblical passages so that nonlectionary preachers may make use of its contents. The printed volumes for Ordinary Time include the complementary stream during Year A, the complementary stream during the first half of

Year B, the semicontinuous stream during the second half of Year B, and the semicontinuous stream during Year C. Beginning with the season after Pentecost in Year C, the alternate lections for Ordinary Time not in the print volumes will be available online at [feastingonthe word.net](http://feastingontheword.net). Courage and Calling Georgetown University Press There exists a deep tension

between the biblical view of servant leaders and the status that Christian leaders today often desire and pursue. Many pastors and other church leaders, like it or not, struggle with ambition. In this book Craig Hill shows how the New Testament can help Christian leaders deal with this problem honestly and faithfully. Hill examines such passages as the Christ Hymn in

Philippians 2 to show how New Testament authors helped early Christians construct their identity in ways that overturned conventional status structures and hierarchies. Status and ambition, Hill says, are not often addressed forthrightly in the church, as Christians either secretly indulge those impulses or feebly try to quash them. Hill's *Servant of All* will help Christian leaders

reconcile their human aspirations and their spirituality, empowering them to minister with integrity. *Forgetting Ourselves on Purpose* Wipf and Stock Publishers Neighbor Love through Fearful Days is a reflection on the Covid-19 pandemic, the accompanying economic collapse, a summer of climate chaos, and the pandemic of white supremacy, as well as on the calling to "serve thy

neighbor""
and work
toward the
common
good. Jason A.
Mahn's real-
time
reflections
take on the
reality of life
during these
pandemics
alongside
perennial
questions
about
purpose, faith,
and vocation
**Lovescapes,
Mapping the
Geography
of Love** Wipf
and Stock
Publishers
Tending the
Fire at the
Center of the
World
engages the
central
question of
Christian

formation,
that is, what
kind of
knowing is
most likely to
awaken and
sustain
Christian
faith? This
book seeks to
reclaim
aesthetics—be
auty and
creativity—as
the church's
most native
theological
way of
knowing and
being, which
participates
with God's
own glory and
creativity. This
book traces
the
prominence of
aesthetics up
until the dawn
of the
Enlightenment
, including

recent
theologians
who reclaim
aesthetics for
theology and
formation. The
book
elaborates the
aims and
techniques of
aesthetic
approaches to
teaching and
learning in the
church.
Finally, this
book cautions
against overly
determined
rationalisms
and moralisms
that do not
retain a sense
of wonder,
delight, and
openness in
the church's
teaching,
liturgy, and
proclamation.
In this view,
the church

does not simply regurgitate familiar texts, political tropes, or flattened doctrines but breaks into the world as Christ's body, a parable, a song, a flash mob, interrupting business as usual, giving new expression to acts of care, repentance, forgiveness, joy, and communion, awake to the beauty of God's gifts and inviting our worship.

A typically pessimistic view of aging is that it leads to a steady decline in physical and mental abilities. In this volume leading gerontologists and geriatric researchers explore the immense potential of older adults to overcome the challenges of old age and pursue active lives with renewed vitality. The contributors believe that resilience capacities diminishing with old age is

a misconception and argue that individuals may successfully capitalize on their existing resources, skills and cognitive processes in order to achieve new learning, continuing growth, and enhanced life-satisfaction. By identifying useful psychological resources such as social connectedness, personal engagement and commitment, openness to new

experiences, social support and sustained cognitive activity, the authors present a balanced picture of resilient aging. Older adults, while coping with adversity and losses, can be helped to maintain a complementary focus on psychological strengths, positive emotions, and regenerative capacities to achieve continued growth and healthy longevity. *Neighbor Love through*

Fearful Days
Chalice Press
What is my calling? How do I best live it out? Will my vocation change? In this revised edition of his popular book, Gordon Smith addresses these and other questions you may be struggling with. And he leads you through a process to discover your vocation by listening to God and becoming a coworker with him.
Feasting on the Word: Year A,

Volume 2
iUniverse
In the wise and often witty *Forgetting Ourselves on Purpose*, Brian Mahan considers the question of how it is possible to create a meaningful spiritual life while living in a culture that measures us by what we have rather than who we are. Drawing on nearly two decades of teaching experience. Brian Mahan shares stories of personal struggle and triumph that

demonstrate how those who seek meaning and purpose have recalimed their authentic selves by resolving the inevitable tension between personal ambition and spiritual vibrancy.

Professional Morality and Guilty

Bystanding

Baker Books We call attention to the harsh reality that we are living in troubled times. We are especially conscious of climate change and

COVID-19. We underline that these challenges impact all people. In light of this reality, we use ten primary questions that all human beings ask, consciously or unconsciously, and then amplify each of the ten primary questions with nine additional sub-questions. We then draw upon one of the great teachers of spiritual wisdom (Buddha, Moses, Jesus, Muhammad, etc.) with a brief quote

and then write a short "wisdom" response to the question. By "wisdom" we mean a body of accumulated reflection about the character and meaning of life. Spiritual wisdom suggests an outlook or attitude that enables us to cope, a deeper way of knowing and learning the art of living in rhythm with the soul. We use the life experience of three authors, coming from different religious and

cultural outlooks.
Dynamic Discernment
Springer
Work as center of life has such an important role in our lives; it bears a standard by which we measure our success. It is a major component of self-actualization and well-being. Professional life offers the hope of rewarding work, not just financially but work that is fulfilling. However, professions are also

riddled with complexities and ethical conflicts that obstruct the goal of meaningful work. Our jobs are fraught with moral ambiguities and dilemmas; these become sources of frustration and alienation. What is needed is a transformation, a renewal of our professional lives and the institutional contexts in which we operate, to humanize the alienating aspects of work and professions.

Thomas Merton (1915-1968), though a cloistered monk, wrote extensively on spiritual and social issues. He has been called "a spiritual master" for contemporary times. He possessed an uncanny sense of self-awareness and moral imagination. His life and writings have inspired countless persons on life's spiritual journey. Yet, while people have looked to Merton for guidance on

spiritual issues, the implications of his thought for several other areas of life are open to exploration. This book focuses on the significance of his reflections in *Conjectures of a Guilty Bystander*, which offer one the confidence to embark on a journey that seeks to transcend the complexities

of professional life, and courage to transform the negative features of workplaces and organizations through reasoned moral action, moral imagination, and leadership. Faith and Work John Wiley & Sons *The Schooled Heart* addresses a basic question about the

nature of the university: should moral education figure among the university's purposes? This volume offers an affirmative response to that question. A central purpose of the university is the moral formation of students-- what Beaty and Henry call the schooling of the heart.
