C. S. Lewis a Life: Eccentric Genius, Reluctant Prophet

C S Lewis And The Arts Creativity In The Shadowlands Pdf Downloaded from peckerwoodgarden.org by guest

JULISSA KINGSTON

Tolkien and C.S. Lewis Wm. B. Eerdmans Publishing Company
Why must humanity suffer? In this elegant and thoughtful work, C. S. Lewis questions the pain and suffering that occur everyday and how this contrasts with the notion of a God that is both omnipotent and good. An answer to this critical theological problem is found within these pages.

Seeking the Secret Place Zondervan

For the first time ever, these seven essential volumes by C. S. Lewis are available in a single edition. This remarkable book presents the classic works *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Problem of Pain*, *Miracles*, *A Grief Observed*, and Lewis's prophetic examination of universal values, *The Abolition of Man*. Beautiful and timeless, this is a vital collection by one of the greatest literary figures of the twentieth century. Lewis reached a vast audience during his lifetime, and books such as *Mere Christianity* and *The Screwtape Letters* continue to be regarded as among the best spiritual writing of all time. With his uncanny grasp of human nature, Lewis offers a refreshing antidote to the modern world's consumerism and moral relativism. This new edition of his most celebrated books highlights Lewis's compassion for humanity and his relevance for the twenty-first century.

The Narnian HarperOne

Paints a lucid picture of the medieval world view, providing the historical and cultural background to the literature of the Middle Ages and Renaissance. This, Lewis's last book, has been hailed as 'the final memorial to the work of a great scholar and teacher and a wise and noble mind'.

Mere Christianity Zondervan

A journey into the imagination of C.S. Lewis explores the themes and life events that contributed to *The Chronicles of Narnia*, the most enduring classics of children's literature. C.S. Lewis was one of the intellectual giants of the 20th century and arguably the most influential Christian writer of his day. Yet among his poetry, literary history and criticism, novels and Christian apologetics

stands a unique, delightfully imaginative children's series called *The Chronicles of Narnia*, which have become enduring classics. Alan Jacobs takes this imaginary world of Narnia and uses the themes and stories found within to explore the imaginative life of C.S. Lewis. Not just a conventional, straightforward biography of Lewis, Jacobs instead seeks a more elusive quarry: an understanding of the way Lewis's experiences, both direct and literary, formed themselves into patterns—themes that then shaped his thought and writings, especially the stories of Narnia. *The Problem of Pain* Tyndale House Publishers, Inc.

A USA Today bestseller! "These well-chosen Lewis quotes will inspire readers and prompt them to make their own spiritual reflections." —Publishers Weekly
Novelist, poet, critic, lay theologian, and best-selling author of the 'Narnia' series, C. S. Lewis' works have become timeless classics for adults and children around the world. Here in one concise volume is the essence of his thought on subjects ranging from love and faith to ethics and morality and myth and literature that will throw open the windows of the soul and provide readers with bite-sized nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will provide sustenance, wisdom, and hope for both believers and seekers. And, most importantly, it will provide an entry point for those unfamiliar with Lewis that will make them want to explore his fiction and nonfiction works. Selections from C.S. Lewis' *Little Book of Wisdom*: "If God had granted all the silly prayers I've made in my life, where should I be now?" "Surely arrested development consists not in refusing to lose old things, but in failing to add new things..." "Do not dare not to dare." "We are mirrors whose brightness is wholly derived from the sun that shines upon us." "I didn't go to religion to make me happy. I always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity."

C.S. Lewis and a Problem of Evil Harper Collins

This acclaimed biography charts the progress of the brilliant, prolific writer, C. S. Lewis.

The Four Loves Paulist Press

C. S. Lewis was concerned about an aspect of the problem of evil

he called subjectivism: the tendency of one's perspective to move towards self-referentialism and utilitarianism. In *C. S. Lewis and a Problem of Evil*, Jerry Root provides a holistic reading of Lewis by walking the reader through all of Lewis's published work as he argues Lewis's case against subjectivism. Furthermore, the book reveals that Lewis consistently employed fiction to make his case, as virtually all of his villains are portrayed as subjectivists. Lewis's warnings are prophetic; this book is not merely an exposition of Lewis, it is also a timely investigation into the problem of evil. *Words to Live By* HarperOne

C. S. Lewis is one of the most influential Christian writers of our time. *The Chronicles of Narnia* has sold more than 100 million copies worldwide and all Lewis's works are estimated to sell 6 million copies annually. At the fiftieth anniversary of his death, Lewis expert Devin Brown brings the beloved author's story to life in a fresh, accessible, and moving biography through focusing on Lewis's spiritual journey. Although it was clear from the start that Lewis would be a writer, it was not always clear he would become a Christian. Drawing on Lewis's autobiographical works, books by those who knew him personally, and his apologetic and fictional writing, this book tells the inspiring story of Lewis's journey from cynical atheist to joyous Christian and challenges readers to follow their own calling. The book allows Lewis to tell his own life story in a uniquely powerful manner while shedding light on his best-known works.

The Discarded Image Cambridge University Press

A man of reason and vigorous discourse, and a renowned professor of literature and philosophy, C.S. Lewis, always "Jack" to family and friends, never shied from intellectual debate, and through his written works encouraged others to wrestle with the difficult questions of faith. A master of visual illustration and allegory, Lewis wrote with the intuitive understanding that his readers wrestled with the same questions about the Christian story, about pain, suffering, and notions of Heaven and Hell, as he himself had wrestled. He also understood that others found reason and imagination to be incompatible aspects of an understanding of God and the universe.

If I Had Lunch with C. S. Lewis Wipf and Stock Publishers

Step through the other side of the wardrobe and meet the creator

of the Chronicles of Narnia the man whose rich imagination and deep faith made this fantasy series a favorite for generations. This reformatted photo biography, with more than 50 photographs, tells the story of C. S. Lewis's life and work, from his boyhood in Belfast, Ireland, where he and his brother created their first imaginary world in an attic hideaway, to Lewis's adult years as a renowned scholar and beloved author.

The Soul of C. S. Lewis Zondervan

A repackaged edition of the revered author's diary from his early twenties—a thought-provoking work that reveals his earliest thinking about war, atheism, religion, and humanity. While serving his country in the Great War, C. S. Lewis' the great British writer, scholar, lay theologian, broadcaster, and Christian apologist—made a pact with a close friend and fellow soldier. If one of them died, the survivor would take care of his family—a promise Lewis honored. Developing a deep friendship with his fallen friend's mother, Jane King Moore, Lewis moved into the Moore household after the war. Returning to Oxford, the twenty-three-year old Lewis—then a staunch atheist—struggled to adapt to life in post-war England. Eager to help the tormented young man, Jane encouraged him keep a diary of his day-to-day life. Those reflections are collected in this illuminating journal. Covering five remarkable years in Lewis's life, *All My Road Before Me* charts the inspirations and intellectual and spiritual development of a man whose theology and writing—including *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—has had immense influence on the Christian world.

The Collected Works of C.S. Lewis Oxford University Press

Drawing inspiration from Lewis's fiction and nonfiction, *The Soul of C. S. Lewis* is a devotional-style book that encourages reflection and thought. It includes 240 meditations designed for the reader's personal growth. C. S. Lewis opened up more than just wardrobe doors—he opened the doors to human experience, new worlds of ideas, and imaginative discoveries. His honest observations about life highlight the interconnectedness of Scripture to real life and encourage a worldview that is integrated and harmonized.

All My Road Before Me Zondervan

Draws on Lewis's life and work to trace his spiritual development and offer insights for today's readers.

The Complete C. S. Lewis Signature Classics Brazos Press

C. S. Lewis, long renowned for his children's books as well as his Christian apologetics, has been the subject of wide interest since he first stepped-up to the BBC's microphone during the Second World War. Until now, however, the reasons why this medievalist began writing books for a popular audience, and why these books have continued to be so popular, had not been fully explored. In fact Lewis, who once described himself as by nature an 'extreme anarchist', was a critical controversialist in his time-and not to everyone's liking. Yet, somehow, Lewis's books directed at children and middlebrow Christians have continued to resonate in the decades since his death in 1963. Stephanie L. Derrick considers why this is the case, and why it is more true in America than in Lewis's home-country of Britain. The story of C. S. Lewis's fame is one that takes us from his childhood in Edwardian Belfast, to the height of international conflict during the 1940s, to the rapid expansion of the paperback market, and on to readers' experiences in the 1980s and 1990s, and, finally, to London in November 2013, where Lewis was honoured with a stone in Poet's Corner in Westminster Abbey. Derrick shows that, in fact, the author himself was only one actor among many shaping a multi-faceted image. *The Fame of C. S. Lewis* is the most comprehensive account of Lewis's popularity to date, drawing on a wealth of fresh material and with much to interest scholars and C. S. Lewis admirers alike.

C.S. Lewis in a Time of War Wm. B. Eerdmans Publishing

C. S. Lewis is one of the most influential and beloved Christian writers of the past century, and interest in him continues to grow as books about his fantasy, fiction, and biography continue to appear. Although Lewis's personal journey was a deeply philosophical search for the most adequate worldview, the few extant books about his Christian philosophy focus on specific topics rather than his overall worldview. In this book, Michael Peterson develops a comprehensive framework for understanding Lewis's Christian worldview—from his arguments from reason, morality, and desire to his ideas about Incarnation, Trinity, and Atonement. All worldviews address fundamental questions about reality, knowledge, human nature, meaning, and so forth. Peterson therefore examines Lewis's Christian approach to these same questions in interaction with other worldviews. Accenting that the intellectual strength and existential relevance of Lewis's works rest on his philosophical acumen as well as his Christian

orthodoxy—which he famously called "mere Christianity"—Peterson skillfully shows how Lewis's Christian thought engages a variety of important problems raised by believers and nonbelievers alike: the problem of evil and suffering, the problem of religious diversity, the problem of meaning, and others. Just as Lewis was gifted in communicating philosophical ideas and arguments in an accessible style, Peterson has crafted a major contribution to Lewis scholarship presented in a way that will interest scholars and benefit the general reader.

The Restoration of Man ISD LLC

A repackaged edition of the revered author's anthology featuring hundreds of selections from his writings, organized by the main themes of Christian faith. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—wrote widely on all the main themes of Christian faith: God, Jesus, the Trinity, Scripture, sin, evil, nature, sex, the Christian life, prayer, faith, compassion, guilt, and forgiveness. *A Mind Awake* includes hundreds of short excerpts, curated from the full range of his works and organized them by theme. Useful as both a reference work and as a devotional resource, *A Mind Awake* contains hidden gems of wisdom that are provocative, whimsical, and insightful, and is an ideal introduction to this towering figure who has profoundly influenced modern Christianity.

C. S. Lewis Harper Collins

There can be many obstacles to faith, as C. S. Lewis discovered. But he overcame them to become one of Christianity's most ardent warriors of the faith. Art Lindsley provides a readable introduction to C. S. Lewis's reflections on objections to belief in Jesus Christ and the compelling reasons why Lewis came to affirm the truth of Christianity.

The Most Reluctant Convert Wipf and Stock Publishers

Selected from sermons delivered by C. S. Lewis during World War II, these nine addresses offer guidance and inspiration in a time of great doubt. These are ardent and lucid sermons that provide a compassionate vision of Christianity.

C. S. Lewis and a Problem of Evil InterVarsity Press

Marking the 50th anniversary of Lewis' death, *The Intellectual World of C. S. Lewis* sees leading Christian thinker Alister McGrath

offering a fresh approach to understanding the key themes at the centre of Lewis' theological work and intellectual development. Brings together a collection of original essays exploring important themes within Lewis' work, offering new connections and insights into his theology. Throws new light on subjects including Lewis' intellectual development, the uses of images in literature

and theology, the place of myth in modern thought, the role of the imagination in making sense of the world, the celebrated 'argument from desire', and Lewis' place as an Anglican thinker and a Christian theologian. Written by Alister McGrath, one of the world's leading Christian thinkers and authors; this exceptional pairing of McGrath and Lewis brings together the work of two

outstanding theologians in one volume
[The Fame of C. S. Lewis](#) Hampton Roads Publishing
 C. S. Lewis takes us on a profound journey through both heaven and hell in this engaging allegorical tale. Using his extraordinary descriptive powers, Lewis introduces us to supernatural beings who will change the way we think about good and evil.
