Conjure, also known as Hoodoo or Rootwork, is an old, powerful, and increasingly popular system of North American folk magic. Conjure's roots

derive primarily from West and Central African spiritual traditions, but it has also been influenced by Christianity, Jewish mysticism, and Native American practices. Hoodoo Sen Moise has been studying this tradition and working with Conjure for over 35 years. Here in *Working Conjure*, he explores Conjure's history, principles, fundamentals, and ethics, while simultaneously providing a practical how-to guide to actually "working" Conjure and

making Conjure work for you. This book:
Explores the primary materials of Conjure
Features spells, rituals, and workings for various purposes
Guides readers to learn how to bring this profound school of magic to life
Santa Muerte Llewellyn Worldwide
Spiritual Rites, Spell Work, and Folk Practices to Enhance Your Well-Being and Personal Power
Learn to better express your spirituality and build up your magical

practice with this book's powerful spells, rituals, and tools. Designed to help you navigate whatever ups and downs life throws your way, Good Juju is your perfect choice for learning to embrace nature, the old ways, and the magick all around you. Using simple practices that don't interfere with any religions, Good Juju helps you lay a foundation for daily ritual work. You'll also learn how to craft mojos, create and work with altars, tune in to your intuition, and much more. Author Najah Lightfoot guides you in keeping your mind, body, and spirit strong as you discover your magical work and align with your higher power.

Voodoo Hoodoo Spellbook Lulu.com
A guide to the practices, tools, and rituals of New Orleans Voodoo as well as the many cultural influences at its origins • Includes recipes for magical oils, instructions for candle workings, and directions to create gris-gris bags and Voodoo dolls to attract love, money, justice, and healing and for retribution • Explores the major figures of New Orleans Voodoo, including Marie Laveau and Dr. John • Exposes the diverse ethnic influences at the core of Voodoo, from the

African Congo to Catholic immigrants from Italy, France, and Ireland One of America's great native-born spiritual traditions, New Orleans Voodoo is a religion as complex, free-form, and beautiful as the jazz that permeates this steamy city of sin and salvation. From the French Quarter to the Algiers neighborhood, its famed vaulted cemeteries to its infamous Mardi Gras celebrations, New Orleans cannot escape its rich Voodoo tradition, which draws from a multitude of ethnic sources, including Africa, Latin America, Sicily, Ireland, France, and Native America. In *The New Orleans Voodoo Handbook*, initiated Vodou priest Kenaz Filan covers the practices, tools, and rituals of this system of worship as well as the many facets of its origins. Exploring the major figures of New Orleans Voodoo, such as Marie Laveau and Dr. John, as well as Creole cuisine and the wealth of musical inspiration surrounding the Mississippi Delta, Filan examines firsthand documents and historical records to uncover the truth behind many of the city's legends and to explore the oft-discussed but little-understood practices of the root doctors, Voodoo queens, and spiritual figures of the Crescent City.

Including recipes for magical oils, instructions for candle workings, methods of divination, and even directions to create gris-gris bags, mojo hands, and Voodoo dolls, Filan reveals how to call on the saints and spirits of Voodoo for love, money, retribution, justice, and healing. Take your home cooking to the next level by incorporating fresh homegrown herbs! You don't need lots of space for a huge herb garden, and you don't need to spend a lot of money on fresh herbs at the grocery store or farmers' market. With *Homegrown Herb Garden*, you can choose the herb or herbs you will use the most and build your herb garden around them. Start with an overview of how to grow, harvest, and store herbs. Then, learn how to handle each herb and what flavors they work well with. The culinary section includes how to prepare and use your herbs, plus savory and sweet recipes to feature them in. Choose your favorite herbs, learn to grow them successfully, and never be at a loss for what to do with them!

The Divine Feminine in the African Religious Traditions Independently Published

"I loved this book. Told by a narrator you won't soon forget, it is filled with myth and legend, danger and bravery. Hoodoo is pure folk magic."—Keith Donohue, *New York Times* bestselling author Twelve-year-

old Hoodoo Hatcher was born into a family with a rich tradition of practicing folk magic: hoodoo, as most people call it. But even though his name is Hoodoo, he can't seem to cast a simple spell. Then a mysterious man called the Stranger comes to town, and Hoodoo starts dreaming of the dead rising from their graves. Even worse, he soon learns the Stranger is looking for a boy. Not just any boy. A boy named Hoodoo. The entire town is at risk from the Stranger's black magic, and only Hoodoo can defeat him. He'll just need to learn how to conjure first. Set amid the swamps, red soil, and sweltering heat of small-town Alabama in the 1930s, Hoodoo is infused with a big dose of creepiness leavened with gentle humor. "What a splendid novel. Reader, be prepared to have your foundations shaken: this is a world that is deeper, more wondrous, more spiritually charged than you may have ever imagined."—Gary D. Schmidt, two-time Newbery Honor medalist and author of *The Wednesday Wars* "The authenticity of Hoodoo's voice and this distinctive mashup of genres make Smith one to watch. Seekers of the scary and 'something different' need look no

further."—Kirkus Reviews "The chilling supernatural Southern Gothic plot action is enhanced by atmospheric description of rural life in Depression-era Alabama . . . Readers will particularly enjoy Hoodoo's authentic and engaging narrative voice."—School Library Journal

A Beginner's Guide to Hoodoo-- Including Candle Magic, Rituals, Crystals, Herbs, and More Houghton Mifflin Harcourt

Are you looking for powerful magic rituals that work? In this book, Mirella Williamson, a magickal practitioner born and raised in South Carolina, reveals everything you wanted to know but didn't have the courage to ask about hoodoo. Probably when you think about hoodoo, you often assume that it's all about burning candles before strange altars, sticking pins in dolls, or chanting rhymes to bring about your wishes instantaneously. You are light years away from reality. This art uses compelling and effective rituals but, at the same time, dangerous if not used correctly and without a guide. But how exactly can you learn it? Well, you've come to the right place, but first, a warning: the rituals exposed inside are effective when the

practitioner does not want to hurt someone merely but only tries to claim himself from something that was previously his own. If your goal is to hurt someone, please don't go further. This book is not for you. However, if you really want to find out what this is all about with all due respect, then here is what you will discover: The deepest realities about hoodoo rites and folk magic All the hidden tools of the Conjuror: incense, dolls, spirit houses, oils, candles, and mojo Bag. What is behind a ritual to communicate and evoke spirits Powerful Hoodoo spells that work to attract luck regain lost love, and sow disunity The cult of Santa Marta la Dominadora, one of the most famous spirits of the Dominican hoodoo tradition And much, much more... Like any other magic practice, hoodoo rituals must be performed with the utmost precision, allowing you not to run into any backlash. Do not hesitate to indulge your curiosity. Whatever the problems that afflict your spirit and believe that magic can be a valid help, take this guide without hesitation. Often even a simple sentence can help you clear your mind... Are you ready? Press on the buy now button to

start your journey today.

Embracing the Spiritual Legacy of the Voodoo Queen of New Orleans Weiser Books

How would you like to increase the power of your magick? Now you can, with the help of real Louisiana Hoodoo. In Charms, Spells & Formulas, you'll find rituals and recipes for incenses, oils, powders and washes that you can use to make changes in your life. But that's just the beginning. You'll learn the secrets of how to make gris-gris bag charms for any purpose. You also get full instructions on how to set up your altar and perform the ritual to charge the bag so that it becomes a powerful magical tool. Need to improve your health or love life? Make a gris-gris bag! You'll also learn how to make magical dolls from cloth and clay, and how to increase the power of magical candles by adding herbs to them. Do you think you might have been given the "evil eye?" You'll learn how to overcome it with the instructions given here. The book also includes full instructions on how to use prayers and Bible psalms to solve your problems. Hoodoo is a tradition that is 200 years old. Within these pages you'll find the secrets

of genuine Hoodoo and be able to put them to use! You can use Hoodoo to help get rid of illness and bring prosperity, find romance and get rid of bad luck. If you are doing any sort of magick at all, you'll find that the techniques in this book will powerfully enhance your magick. And if you're new to magick, you'll be surprised at just how successful the magick in this book can be. Are you ready to really make a change in your life? With the help of this book and some common herbs, you can do it. Get this book today!

Witchcraft...Into the Wilds Greenwood Publishing Group

Spell Crafts Take a look at your hands. See them as wondrous vehicles of power. Feel the energy that flows through everything you do. Tap into that power! Carve a symbol, dip a candle, mix fragrant herbs, sculpt clay, and make your life all that you want it to be. When crafts are used to create objects intended for ritual or to symbolize the divine, the connection between the craftsperson and divinity grows more intense. Hoodoo Herb and Root Magic Llewellyn Worldwide

The Pin Is Mightier Than the Sword

"Denise Alvarado is a true hoodoo mamba home girl who burned hi-octane conjure in New Orleans where she grew up, and on visits to relatives in the Mississippi bayous, where she was formally introduced to the Voodoo/hoodoo path. Called by the spirits and taught conjuration by family

members, she was working the goofer from five years old. That's some serious heat. Denise is no pretender. She's for real. She fixes the formulas, raises the spirits, calculates the mathematics, and works wonders at the old dirt track crossroads." -Doktor Snake, author of Doktor Snake's Voodoo Spellbook When it comes to Voodoo, few things are more iconic than the Voodoo doll. Known also as conjure dolls, doll babies, dollies, baby dolls, poppets, fetich, fetish, and effigies, they are servants of fast-acting, long-lasting magic. If you are seeking a new job or new friends, need to find your one true love or keep your lover at home, wish to be rid of your enemies or protect yourself from thievery, in these pages you will find the doll and the spell to do just that and more. Drawing not only on New Orleans Voodoo and hoodoo traditions, Alvarado also presents doll spellwork from ancient Greece, Egypt, Malaysia, Japan, Africa, and the European grimoires of old magic. You'll learn how to make, use, and properly dispose of your Voodoo doll. Be warned: this is some of the most effective magic that exists so be ready to reap what you are about to sow, or in this case, sew!

Crossroads of Conjure University of Illinois Press

"Throughout Africa and beyond in the Diaspora caused by the slave trade, the divine feminine was revered in the forms of goddesses, like the ancient Nana Buluku; water spirits like Yemaya, Oshun, and Mami Wata; and the warrior Oya. The power of these goddesses and spirit beings has taken root in the West. This book shows us how to celebrate and cultivate the traits of these goddesses, drawing upon their strengths to empower our own lives"--

A Materia Magica of African-American Conjure Simon and Schuster

In this groundbreaking book that places Rootwork in its rightful spot among other magickal traditions, Tayannah Lee McQuillar offers a fun and practical guide to improving your life with the help of African American folk magick. Rootwork begins with the basics, from explanations about the magickal powers of the four elements (air, earth, fire, and water) to instructions on creating talismans, charms, and mojo bags. Also included are spells to help you: find your soul mate spice up your sex life get a new job improve your

health discover your inner muse
Accessible and easy to use, *Rootwork* offers the insights of a time-honored tradition as a means of self-empowerment and spiritual growth.

Yemaya Hampton Roads Publishing
The life and work of the legendary “Pope of Voodoo,” Marie Laveau—a free woman of color who practically ruled New Orleans in the mid-1800s Marie Laveau may be the most influential American practitioner of the magical arts; certainly, she is among the most famous. She is the subject of songs, films, and legends and the star of New Orleans ghost tours. Her grave in New Orleans ranks among the most popular spiritual pilgrimages in the US. Devotees venerate votive images of Laveau, who proclaimed herself the “Pope of Voodoo.” She is the subject of respected historical biographies and the inspiration for novels by Francine Prose and Jewell Parker Rhodes. She even appears in Marvel Comics and on the television show *American Horror Story: Coven*, where she was portrayed by Angela Bassett. Author Denise Alvarado explores Marie Laveau’s life and work—the fascinating history and mystery. This book

gives an overview of New Orleans Voodoo, its origins, history, and practices. It contains spells, prayers, rituals, recipes, and instructions for constructing New Orleans voodoo-style altars and crafting a voodoo amulet known as a gris-gris. [The Red Folder](#) Chicago Review Press
A celebration and practical guide to the renowned and beloved goddess and orisha. Yemaya, queen of the sea, first emerged in Yorubaland (now in modern Nigeria). A primordial deity, considered the mother of all, some perceive her to be at the root of numerous ancient goddesses, including Isis. During the Middle Passage, Yemaya accompanied her enslaved devotees to the Western Hemisphere, where her veneration took root and flourished. She is among the most beloved and prominent spirits of Candomblé, Santería, and other African diaspora traditions. Through her associations with the Virgin Mary, devotion to Yemaya spread throughout Latin America. Cuban immigrants brought Yemaya with them to the US, where her veneration expanded exponentially. No longer a local water spirit, she became an internationally beloved goddess whose devotees derive

from numerous traditions and who worship her in her many fluid forms. Yemaya currently ranks among the most beloved goddesses worldwide. Raven Morgaine, a priest of Yemaya for over three decades, shares his expertise and knowledge in *Yemaya: Orisha, Goddess, and Queen of the Sea*, the first full-length English language book accessible to general readers. Morgaine explores Yemaya’s history and her many forms, including her roles as mother, lover, witch, warrior, and mermaid. He describes her many paths, aspects, and incarnations. Simultaneously a celebration of Yemaya and a practical, hands-on guide to working with her, *Yemaya* explores her mythology in depth, as well as her special role in the LGBTQ community. The book features: Spells and rituals associated with Yemaya appropriate for the uninitiated Instructions for building altars and shrines for Yemaya, as well as other methods for working with her, including correct, respectful ways to make appropriate offerings Recipes that will please Yemaya A detailed list of flowers, herbs, and other botanicals that radiate the power of Yemaya

Soul is the ultimate expression and experience of African-American culture. The Big Book of Soul is the first popular reference book to provide an in-depth examination of the source of soul in African culture and how soul finds its expression today. Author Stephanie Rose Bird takes readers on a breathtaking journey of soul by examining the spirit of animism and how it evolved in contemporary African-American culture. She explores spiritual practices related to diet, dance, beauty, healing, and the arts, and provides readers with ancient healing rituals and practices they can use today. Filled with fun facts, practical advice, and ancient spiritual wisdom, The Big Book of Soul is for any reader who wants a genuine, rooted experience of soul today.

Run for It Weiser Books

Explore the world of hoodoo with an experienced rootworker in this friendly, accessible guide to rituals, spells, and other traditional folk magic. Rootwork, also known as hoodoo or conjure, is an African

American folk magic influenced by a blend of African beliefs, traditions, and cultures. This book includes step-by-step guidance for over 80 rituals, spells, and techniques that can help manifest your goals and transform your life. Written by a descendant of African American and Filipino rootworkers, Paris Ajana (also known as the Hoodoo Goddess) guides you on a spiritual journey, teaching skills such as: Preparing altars and sacred spaces Crystal spells, herb magic, and candle creation Constructing mojo bags, doll babies, and honey jars And much more! Learn to connect with the spirits of your ancestors to invigorate your mind, body, and soul as you delve into the mystical world of rootwork.

The Ultimate Guide to the African American Spirit Red Wheel/Weiser

The election of America's first biracial president brings the question dramatically to the fore. What does it mean to be biracial or tri-racial in the United States today? Anthropologist Stephanie Bird takes us into a world where people are struggling to be heard, recognized, and celebrated for the racial diversity one would think is the epitome of America's

melting pot persona. But being biracial or tri-racial brings unique challenges-- challenges including prejudice, racism and, from within racial groups, colorism. Yet America is now experiencing a multiracial baby boom, with at least three states logging more multiracial baby births than any other race aside from Caucasians. As the Columbia Journalism Review reported, American demographics are no longer black and white. In truth, they are a blended, difficult-to-define shade of brown. Bird shows us the history of biracial and tri-racial people in the United States, and in European families and events. She presents the personal traumas and victories of those who struggle for recognition and acceptance in light of their racial backgrounds, including celebrities such as golf expert Tiger Woods, who eventually quit trying to describe himself as Cablanasin, a mix including Asian and African American. Bird examines current events, including the National Mixed Race Student Conference, and the push to dub this Generation MIX. And she examines how American demographics, government, and society are changing overall as a result. This work

includes a guide to tracing your own racial roots. This volume explores the history,

challenges, and psychological issues for-as well as prejudice against-people who have a mixed ancestry leaving them at neither

end of the polar spectrum, neither Black nor White, but biracial or tri-racial.
