If Holly Gates must hide out in a snowbound New Mexico cabin, she's glad it's with Daniel Hawk. The fearless Navajo security expert has sworn to protect her from a relentless would-be killer. But Daniel himself, a scintillating package of Native American tradition and all-

American sexiness, presents an even greater danger to Holly. She's quickly falling for him and can only foresee heartbreak. Daniel, Holly knows, remains true to his Navajo upbringing. Unlike her, he craves no home or family—just the same freedom as the great hawk. As they run for their lives, Holly's courage and spirit spark in Daniel irresistible passion. Her heart may not be broken after all, if he can save her one last time....

In her pulchritudinous prime Baby Doe was called the Silver Queen of Colorado by journalists and "that shameless hussy" by the proper wives of the men who eyed her. Flirtatious, adventurous, ambitious, Elizabeth McCourt Doe gave everyone a lot to talk about when she met Horace Tabor, the Silver King of Leadville, in 1880. Three years later they were free to legalize their passion. Although thirty years separated them, they were well matched in romantic recklessness. If *The Legend of Baby Doe* is the lowdown on the high jinks of two public lives, it is also the story of a love that survived spectacularly good times and bad. Before bad times came, Baby and Horace went on a spending spree. They built an opulent opera house in Denver and bought an Italian-ate villa. Baby Doe went out bejeweled and ermined, and sat at home

alone, snubbed by the social dragons. John Burke has written about the giddy rise of a bonanza king who dreamed of entering the White House with Baby Doe on his arm and about the disastrous fall they took together. Wiped out by unwise investments and the Panic of 1893, Tabor soon died, leaving Baby Doe and their two daughters penniless. Reportedly, his deathbed order was to "hang on to the Matchless," a played-out mine filled with water. She managed to do that for almost four decades, struggling heroically against loneliness, poverty, and heartbreak, and becoming one of the great legends of the American West.

One of the most distinctive coins ever minted, the Empress Maria Theresa thaler was first struck in 1741 in Vienna, a year after Maria Theresa acceded to the Hapsburg inheritance. It became a trade coin, and - because of the assured and consistent purity of its silver content - fast became the most acceptable currency throughout the Levant, the Red Sea region, much of Arabia and the Horn of Africa. It circulated in the Americas and as far east as China. Since then over 400 million have been struck in mints in

Austria and, on occasions, in Bombay, London, Rome, and other countries in Europe. As an international currency - one of the first of its kind - it was loved and trusted wherever it was circulated and remained official tender of Arabia and remote corners of Africa until well into the 20th century.

The Silver Wolf Legend of Sylphar

Nobody ever tells you how hard it is to become a legend. When Cory Cooper came to Maine with his boyfriend, Kieran Belle, to meet the family, he never imagined the chaos that would engulf their summer break. The seeming safety of the Oisin compound has been shattered. Kieran's grandfather, the powerful Silver Witch is dead and Kieran has been severely injured fighting off the shifters who invaded his family home. The dark forces arrayed against the young lovers aren't the only forces in opposition to their quest for Happily Ever After. Camille Belle, reigning matriarch of the shifter hunting House of Beauty, and Kieran's maternal grandmother, also stands in their way. Can these descendants of rival houses overcome the forces that oppose them or is this version of Beauty and the Beast

doomed to repeat the sad ending of the past?"

He travels through life with a reputation of having been a farmer, wagon master, settler, then on to becoming a mountain man because of tragedy that strikes his life. He ends up

This adult historical fiction is a seafaring adventure meant to entertain both the sailor and the landlubber. Having lost hearth and heart to the Stuart Uprising, CATE MACKENZIE, a fugitive war criminal, purchases passage on a ship bound for the West Indies. En route she is kidnapped-a case of mistaken identity-by CAPTAIN NATHANAEL BLACKTHORNE, the pirate captain. Accustomed to blood, musket and cannon, life aboard the pirate ship isn't the hell Cate expects. She is instantly drawn into Nathan's bloody rivalry against LORD BREASTON CRESWICKE-the man who forced Nathan into piracy-and COMMODORE ROGER HARTE, Creswicke's puppet. They are an "unholy alliance" of ambition and power, Nathan a rat terrier on their heels. The impending arrival of Creswicke's fiance is too much temptation. This is a story of two scarred people, blinded by their defenses. It's the story of trust, or rather, the lack of. It's the story of a loss of faith and disbelief that Providence might ever smile again.

Black Gun, Silver Star Independently Published

In this new historical romantic fantasy of stunning originality and scope, Alice Borchardt breathes life into a bygone age, brilliantly recreating a sensuous, violent world--and the men and women whose grand ambitions, betrayals, and passions shape the era in which they live and die. Decadent Rome at the dawn of the Dark Ages is mired in crumbling grandeur. Now, into the Eternal City comes Regeane, a beautiful young woman distantly related, through her dead mother, to Charlemagne. Regeane's regal blood renders her an unwilling pawn in the struggle for political power. But unknown to those plotting against her, the blood she has inherited from her murdered father makes her much more than a child of royalty. Possessed of preternatural agility and strength, primal memories extending back thousands of years, and senses so keen they can pierce the veil of

death itself, Regeane is a shapeshifter: woman and wolf, hunter and hunted. Betrothed by Charlemagne's command to a barbarian lord she has never seen, Regeane is surrounded by enemies. The most notorious, her depraved uncle and guardian, will not scruple to betray her to the Church unless she aids him in his sinister schemes. And if the Church discovers her secret, Regeane will burn at the stake. Yet Regeane finds allies as well: Lucilla, rumored to be the private courtesan of Pope Hadrian himself; Antonius, a wise and gentle soul trapped within a body grotesquely disfigured by disease; and the little Saxon girl Elfgifa, brave beyond her years, with a tongue as sharp as a blade. Outside the gates of Rome, baying on the moonlit expanses of the Campagna, there is a mysterious dark wolf whose scent makes the animal in Regeane tremble with desire. Now, as an infamous stranger prepares to claim his bride, deadly plots and counter plots tighten like a noose around her neck, Regeane must fight to live with dignity as the proud creature she is: civilized and savage, woman and wolf, partaking of both yet infinitely more than either . . .

Lyrical, fast-paced, sensual, and rich with historical detail and deep insights into the heart, *The Silver Wolf* catapults Alice Borchardt squarely into the front rank of contemporary women writers. Her intricate plot and hypnotic voice will cast a spell that few will be able to resist.

In this new edition of the biography of Bass Reeves, who was formerly enslaved and then served as a peace officer in and around late nineteenth-century Indian Territory, Art Burton traces Reeves's presence in contemporary national media and in popular modern media.

In *The Story of Oklahoma*, Deputy U.S. Marshal Bass Reeves appears as the "most feared U.S. marshal in the Indian country." That Reeves was also an African American who had spent his early life enslaved in Arkansas and Texas made his accomplishments all the more remarkable.

Black Gun, Silver Star sifts through fact and legend to discover the truth about one of the most outstanding peace officers in late nineteenth-century America--and perhaps the greatest lawman of the Wild West era. Bucking the odds ("I'm sorry, we didn't keep Black people's history," a clerk at one of Oklahoma's local historical societies answered one query), Art T. Burton traces Reeves from his days of slavery to his Civil War soldiering to his career as a deputy U.S. marshal out of Fort Smith, Arkansas, when he worked under "Hanging Judge" Isaac C. Parker. Fluent in Creek and other regional Native languages, physically powerful, skilled with firearms, and a master of disguise, Reeves was exceptionally adept at apprehending fugitives and outlaws and his exploits were legendary in Oklahoma and Arkansas. In this new edition Burton traces Reeves's presence in the national media of his day as well as his growing modern presence in popular media such as television, movies, comics, and video games.
