### **Chicken Soup for the Soul: My Cat's Life** Simon and Schuster

Part crime fiction, part murder mystery, part meditation on grieving, friendship and family, Maria Donovan's debut novel, *The Chicken Soup Murder*, is a coming-of-age story narrated with resilience and humor by Michael, whose cozy young life is threatened by bullying and blasted by visitations from the biggest bully of them all: Death. Within Michael's own past are unanswered questions: why does he live with his grandmother? Are his parents really in prison? His magical creative thinking lands him in trouble: how reliable is his story and why is he the only one who thinks a murder has been committed? What can he, a schoolboy about to turn twelve, do about it? Haunted by the injustice of a killing, he takes on the burden of trying to do the right thing - first helping the widowed mother of his best friend, and then seeking justice for the friend and neighbor who apparently died while making him chicken soup. Bereavement is hard enough but there are added difficulties in coming to terms with the deliberate ending of a life. A sensitive and moving first novel from the author of short-story collection *Pumping Up Napoleon*, *The Chicken Soup Murder* was a finalist for the Dundee International Book Prize.

Look beyond the hurt and use the power of forgiveness to move forward. Forgiveness is one of the best tools we have at our disposal to create a better life for ourselves. Leave that baggage behind as you put the past in the past— where it belongs! Forgiveness is an amazing tool—it can transform your life in just one second if you decide that you want to use its power. There's a reason we refer to anger, resentment, and disappointment as "baggage." We carry it everywhere we go. We'd like nothing more than to drop it on the side of the road and forget about it. But how do we do that? How do we process the past and then leave it behind? These 101 revealing true stories show you how. Learn how to manage your hurt with or without an apology and focus on what's really important. Read about marriages being strengthened, families getting back together, grown children coming to understand their parents, and people overcoming the worst transgressions—even crimes. These men and women walked forward light and free, and you can, too—onto the bright, warm, welcoming road ahead. And, because no one's perfect, you'll also learn how to apologize if you're the one in the wrong... and how to use the power of self-forgiveness to find peace and happiness.
