Reckless Taylor & Francis

This distinctive volume explores how romantic coupleship is represented in books, magazines, popular music, movies, television, and the Internet within entertainment, advertising, and news/information. This reader offers diverse theoretical perspectives and methodological approaches on the representation of romantic relationships across the media spectrum. Filling a void in existing media scholarship, this collection explores the media's influence on perceptions and expectations in relationships, including the myths, stereotypes, and prescriptions manifested throughout the press. Featuring fresh voices, as well as the perspectives of seasoned veterans, contributions include quantitative and qualitative studies along with cultural/critical, feminist, and descriptive analyses. This anthology has been developed for use in courses on mass media and

society, media studies, and media literacy. In addition to its use in coursework, it is highly relevant for scholars, researchers, and others interested in how the media influence the personal lives of individuals.

Bryan Adams - Greatest Hits (Songbook) Author House

Popular Culture: An Introductory Text provides the means for a new examination of the different faces of the American character in both its historical and contemporary identities. The text is highlighted by a series of extensive introductions to various categories of popular culture and by essays that demonstrate how the methods discussed in the introductions can be applied. This volume is an exciting beginning for the study of the materials of everyday life that define our culture and confirm our individual senses of identity.
