Preface and Introduction to The Phenomenology of Mind Simon and Schuster

With this follow-up to the acclaimed and bestselling "No Rest for the Wicked," Cole continues her seductive paranormal series featuring a brutal Highland werewolf and an exquisite young witch--adversaries with a blood vendetta between them who so give in to forbidden temptation. Original.

The Coincidence of Callie & Kayden Simon and Schuster

An agonizing turbulence lies just beneath the surface of this skillfully wrought novel by the French phenom who caused a sensation with the publication of her novel Incest. Reaching back into a world before she was born, Christine Angot describes the inevitable encounter of two young people at a dance in the early 1950s: Rachel and Pierre, her mother and father. Their love is acute. It twists around Pierre's decisive judgments about class, nationalism, and beauty, and winds its way towards dissolution and Christine's own birth. Though it's Pierre whose ideas are most often voiced, it's Rachel who slowly comes into view, her determination and patience forming a radiant, enigmatic disposition. Equal parts subtle and suspenseful, An Impossible Love is an unwavering

advance toward a brutal sequence of events that mars both Christine's and Rachel's lives. Angot the author carves Angot the narrator out of this corrosive element, exposing an unmendable rupture, and at the same time offering a portrait of a striking, ineradicable bond between mother and daughter.

A Hunger Like No other Harper Collins

Not ever. Somehow, I forgave him for what he did in the past. But I'm not sure if I can do it again. But he's not giving me much choice.

A Memoir of (In)fertility Ridgeview Publishing

*The Pact is a full-length, standalone "friends to lovers" contemporary adult romance*It all started with a pinky swear...Linden McGregor is tall, rugged, and gunslinger handsome; a helicopter pilot with a Scottish brogue and charm to spare. He's also one of Stephanie Robson's best friends and has fit into that box for as long as she's known him.Beautiful, funny and an ambitious businesswoman (with one hell of an ass), Stephanie Robson is one of Linden McGregor's best friends and has fit into that box for as long as he's known her.But some relationships can't be

boxed, can't be classified, can't be tamed.Back in their mid-twenties and tired of the competitive hit-or-miss dating scene of San Francisco, Steph and Linden made a pact to marry each other if neither one of them were in a serious relationship by the time they hit thirty.It sounded like fun and games at the time but as the years to thirty tick past and lovers come and go out of their lives, the pact becomes larger than life.Sex is inevitable. Friendships are tested. Hearts are on the line.The pact is about to change everything.Note: due to the dirty talk and sexy times, The Pact is not meant for anyone under the age of 18.
