Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping

global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

You Get What You Get Bantam

A madcap adventure through a tight-knit world of drag performers making art and mayhem in the greatest city on earth. Ten years ago, an aimless coat check girl better known today as Merrie Cherry sweet-talked her boss into giving her \$100 to host a drag show at a Brooklyn dive bar. Soon, kids like Aja were kicking their way into the scene, sneaking into clubs, pocketing their tips to help mom pay the mortgage, and sharing the stage with electric performers like Thorgy Thor and Sasha Velour. Because suddenly, in the biggest, brightest city in America, drag was offering young, broke, creative queer people a chance at real money—and for thousands or even millions of people to learn their names. In *How You Get Famous*, journalist Nicole Pasulka joyfully documents the rebirth of the New York drag scene, following a group of iconoclastic performers with undeniable charisma, talent, and a hell of a lot to prove. The result is a sweeping portrait of the 21st-century search for celebrity and community, as well as a chronicle of all the struggles, fights, and disappointments along the way. A rollicking account of the quest to make a living through an art form on the cusp of becoming a cultural phenomenon, *How You Get Famous* offers an unmissable romp through the gritty and glamorous world of Brooklyn drag.

A “straight-dope, tell-all account” of touring with two of the world’s greatest bands of the 60s and 70s—A “fast-moving narrative of rock-n-roll excess” (Publishers Weekly). In this all-access memoir of the psychedelic era, Sam Cutler recounts his life as tour manager for the Rolling Stones and the Grateful Dead—whom he calls the yin and yang of bands. After working with the Rolling Stones at their historic Hyde Park concert in 1969, Sam managed their American tour later that year, when he famously dubbed them “The Greatest Rock Band in the World.” And he was caught in the middle as their triumph took a tragic turn during a free concert at the Altamont Speedway in California, where a man in the crowd was killed by the Hell’s Angels. After that, Sam took up with the fun-loving Grateful Dead, managing their tours and finances, and taking part in their endless hijinks on the road. With intimate portraits of other stars of the time—including Janis Joplin, Jimi Hendrix, the Band, the Allman Brothers, Pink Floyd, and Eric Clapton—this memoir is a treasure trove of insights and anecdotes that bring some of rock’s greatest legends to life.

Just Make It Work Baker Books

Joseph Cotten's story begins in Tidewater, Virginia, moves on to an episode as a Miami 'potato salad' tycoon and then brings us to his first big break as an actor, in the New York theatre. Cotten describes how he met the flamboyant Orson Welles- at a radio audition at which Welles set a wastepaper basket on fire- and their involvement with the Mercury theatre. This led to Cotten's first film role, as Orson's co-star in Citizen Kane, quickly followed by parts in The Magnificent Ambersons and The Third Man. Orson- perhaps the only man to use Churchill as a stooge while trying to set up a film deal- was a lifelong friend of Cotten's, and this autobiography was one of the last works he read before his untimely death in 1985. Cotten takes us behind the scenes of his stage plays and films, recalling amusing and intimate stories of his adventures with Ingrid Bergman, Marilyn Monroe, Katharine Hepburn, David Niven, David O. Selznick, Alfred Hitchcock and many others. Sensitive to his own motivations, frank about his marriages and warmly revealing about himself and his friends, Cotten has written much more than the usual film star biography. His skills as an actor have made him a master of character and dramatic momentum, and he brings the same talents to his writing. Vanity Will get You Somewhere is a generous, loving and humorous portrait of a man without a

shred of vanity in his nature- and of his friends and colleagues in the larger-than-life world of show business.
