### **Personalized Children's Books, Personalized Gifts, and Bedtime Stories** James Pinnick

Game of Thrones fans will love the New York Times bestselling Abhorsen series. Sabriel, the first installment in the trilogy,

launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. Dark Secrets, Deep Love, and Dangerous Magic Sent to a boarding school in Ancelstierre as a young child, Sabriel has had little experience with the random power of Free Magic or the Dead who refuse to stay dead in the Old Kingdom. But during her final semester, her father, the Abhorsen, goes missing, and Sabriel knows she must enter the Old Kingdom to

find him. She soon finds companions in Mogget, a cat whose aloof manner barely conceals its malevolent spirit, and Touchstone, a young Charter Mage long imprisoned by magic, now free in body but still trapped by painful memories. As the three travel deep into the Old Kingdom, threats mount on all sides. And every step brings them closer to a battle that will pit them against the true forces of life and death—and bring Sabriel face-to-face with

her own destiny. "Sabriel is a winner, a fantasy that reads like realism. Here is a world with the same solidity and four-dimensional authority as our own, created with invention, clarity and intelligence."

—Philip Pullman, author of His Dark Materials trilogy

**A Family's Story of Courage and Survival on Both Sides of the Berlin Wall** Harper Collins

The excellent Monsieur Dutilleul has always been able to pass through walls, but has never seen the point of using his gift, given the general availability of doors. One day, however, his tyrannical boss drives him to desperate, creative measures — he develops a taste for intramural travel and becomes something of a super-villain. How will the unassuming clerk adjust to a glamorous life of crime? Aymé's genius lies in imagining the practical unfolding of bizarre and difficult situations. In each story, anarchic comedy is arrested by moments of pathos, only to descend into anarchy and hilarity once more ... Pushkin Collection editions feature a spare, elegant series style and superior, durable components. The Collection is typeset in Monotype Baskerville, litho-

printed on Munken Premium White Paper and notch-bound by the independently owned printer TJ International in Padstow. The covers, with French flaps, are printed on Colorplan Pristine White Paper. Both paper and cover board are acid-free and Forest Stewardship Council (FSC) certified. The Yellow Wallpaper Crown Archetype The compelling novel that began Shirley Jackson's legendary career Pepper Street is a really nice, safe California neighborhood. The houses are tidy and the lawns are neatly mowed. Of course, the country club is close by, and lots of pleasant folks live there. The only problem is they knocked down the wall at the end of the street to make way for a road to a new housing development. Now, that's not good—it's just not good at all. Satirically exploring what happens when a smug suburban neighborhood is breached by awful, unavoidable truths, The Road Through the Wall is the tale that launched Shirley Jackson's heralded career. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of

the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*The Last Legend* Createspace Independent Publishing Platform

"Amongst the oil fumes and the briny dinge of the sea, greasy, tired, frustrated, I had a flash. Suddenly, I had it all figured out—the psychology of despots and CEOs. I figured that in order for civilization to exist, people have to stay in one place, and so it seems somehow natural that the evolution of society would be to create an illusion of motion where none exists. Faster cars. Faster editing. Increased sensory stimulation. But all the while we are actually sitting more and more still. The population is placated by the feeling of progress, when in reality they are imprisoned. Even if we feel or strive to be utterly irresponsible, we're still somehow doing our job." Carl Watson evokes his desolation angels with great empathy and care, but also with ruthless candor. He

writes like someone who pushed himself to the wall, then pushed through it to the void and came back with stories to tell. Here he reclaims the Seventies, one of the more desolate of recent epochs, with the clarity of Proust, the balefulness of Bodenheim, and the raw honesty of an Iggy song. -John Strausbaugh, author of "Black Like You" and "Sissy Nation" "CW writes like he put his thumb in the air on some two-lane American highway that used to be an Indian Trail, where he got picked up by God. Like he has come back to the fire in the woods we have gathered around at the end of the world with our loved ones to tell us what he saw. -Andrew Huebner, author of "We Pierce," "American By Blood" and "East of Bowery" With prose unfurling like cigarette smoke bleeding into that cloud of half-forgotten memories forever shadowing missed opportunities that hangs over a noontime dive somewhere during the twilight of the last blown century, heartbreak rock-n-roll on the radio crackling in exquisite precision between am stations and windswept interstates, Carl Watson daydreams before silent black-and-white televisions in SRO lobbies or as he drinks himself sober in

crumbling Chicago tenements. "Backwards the Drowned Go Dreaming" explodes the bleary-eyed myth of the American road. - Donald Breckenridge, author of "This Young Girl Passing" Carl Watson's work is desolate poetry. He writes with sharp nostalgia for a past that really wasn't all that great. It feels like a stay in a down-and-out motel, but right on the other side of the paper-thin wall is transcendence. Watson never lets you forget that even in the most desperate situations, there is humor (even if it's mostly black) and greatness of the spirit. -Emily XYZ, "United States of Poetry" THE YELLOW WALLPAPER Simon and Schuster "Gripping. . . . Few readers will stop until they reach its final page."-- A lec Nevala-Lee, New York Times Book Review *Over the Wall* HarperCollins Be careful what you wish for. Your dream might come true. This is a humorous story about Chad Smith who had his greatest hope fulfilled but with results he could never have imagined. His ambition was to play ball in the Major League. Only one thing held him back from playing professional baseball in the majors.

Through a freak accident this shortcoming is removed but the transformation leads to an unorthodox style of play. His success arouses a number of emotions in the other players, team managers and owners of the baseball teams. He is swept away into a beehive of controversy.

*Forty Autumns* Penguin

SOON TO BE A MAJOR MOTION

PICTURE—The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review), now in paperback for the first time. For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men

from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. Where the *Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Where the Crawdads Sing HarperCollins UK

Six months have passed since Lirael and Sameth fought off the Destroyer and saved Nicholas Sayre's life. Still recovering from his horrible ordeal, Nicholas is nonetheless eager to return to the Old Kingdom and his friends. But first he must endure a country house party organised by his powerful uncle, with the wealthy, eccentric Dorrance as the guest of honour. Nick hates the idea, especially since the people there don't believe in magic or necromancy. Even worse, they have a strange creature locked up in a display case. Things take a truly horrific turn when Nick is kidnapped, and his Charter-infused blood is fed to the creature, which

promptly goes on a rampage, drinking blood from anyone it encounters to build its strength. With the Abhorsen days away and no way to stop a savage, incredibly strong Free Magic monster, what can Nick do to stop Dorrance and the creature in the case?"

Put Some Shoes on Bloomsbury Publishing Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttlelea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

*The Kid Who Beat Wall Street and Saved Africa* Penguin

When a bedraggled stranger turned up on the doorstep of Jason Harper's comfortable New England home, it takes him some time to accept that it is his brother who had disappeared over thirty years before

on a bombing mission over Vietnam. Why had he not come home earlier? Where had he been? Why had he not told his own family that he had survived? Before Roy can begin to explain what he has gone through they are interrupted by a pair of men who seem intent on removing them both - and Jason's wife and child. Within the space of half an hour Jason's well-regulated, ordinary life is destroyed and his loyalty to his lost brother forces him to take his family on the run as he battles with the fact that the American government had 'hidden' hundreds of MIAs. Now the two brothers have the knowledge to expose this outrage, but first they have to prevent the other survivors from being summarily executed, and a very professional organisation is determined that they will achieve neither aim. **Nicholas Sayre and the Creature in the Case** Createspace Independent Publishing Platform

Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't believe in relationships.

Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her lover before dawn, and repeats. That is until she meets gorgeous local surfer Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to spend more time together than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy-he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by morning. The problem is, he won't accept being another one-night stand, and will do anything to prove... Love really does exist.

What could possibly keep Lewis Tiggle from enjoying his twelfth birthday and the

last day of school before summer vacation? Having his sister, Lallie, under foot might spoil his special day. But what he doesn't know is that together with Lallie, their precocious cat, and a friendly mouse, they'll all be sucked into a watery hole in the wake of a very strange storm that strikes their seaside village of Mousehole, England. A terrifying voyage through the depths of the ocean takes them to a mysterious place called Pood: a hostile, threatening land filled with secrecy and oddities. When they learn that three Topland children are being held captive in Pood, a race begins to rescue them and find a way home. But finding a way out is not so easy when you're trapped under the sea in a place that brings things in, but never lets them out.

[Walk Through Walls](#) Fox Chapel Publishing  
This is the story of an Irish family from Cork Ireland. It documents how they survived in the 50's and 60's and will take you on a roller coaster ride of every emotion, sometimes all on the same page. Here you will read of an inspiring mother, always encouraging her six children to laugh at life, and believe in tomorrow. She did this inspiring while battling a

domineering old grandmother, and an alcoholic husband, as her children drank tea from their jam jars, and read by a candle. Its a book filled with humor, drama, and dreams that come true, culminating in the author meeting his American dream. It's said the book is like, Irish Stew for the Soul. You will feel uplifted when you finish reading a book that seems to be everyone's story.

[House of Cards](#) Sphere

Charlotte Perkins Gilman's 1892 short story, *The Yellow Wallpaper* is a valuable piece of American feminist literature that reveals attitudes toward the psychological health of women in the nineteenth century. Diagnosed with "temporary nervous depression - a slight hysterical tendency" by her physician husband, a woman is confined to an upstairs bedroom. Descending into psychosis at the complete lack of stimulation, she starts obsessing over the room's yellow wallpaper: "It is the strangest yellow, that wall-paper! It makes me think of all the yellow things I ever saw - not beautiful ones like buttercups, but old foul, bad yellow things. But there is something else about that paper - the smell! ... The only

thing I can think of that it is like is the color of the paper! A yellow smell."

*Goodnight Scarlett and the Moon, It's Almost Bedtime* Penguin

The collected short stories of Garth Nix, including a novella which follows on from the enthralling Old Kingdom fantasy adventures of Sabriel, Lirael and Abhorsen.

The Man Who Walked Through Walls W. W. Norton

A king and his servant learn about the benefits of diversity and the damage that barriers can do in this colorful tale. In this moving and valuable story, a king banishes anyone who looks different than him and builds a wall to keep them away.

His kingdom was once flourishing with singers and sculptors, dancers and astronomers, and everyone in between. Now, most of the people are gone. Once he sees how lonely his side of the wall has become, he realizes where he went wrong and gains a new appreciation for his diverse and talented kingdom. With a visually engaging style that makes a complex lesson simple, this story shows children how a community can be harmed when barriers are built and how it thrives when people come together. "The Wall shows in brilliant color just how vibrant your life can be when you break down barriers and work toward inclusion, which is a wonderful message for readers of any age." —Katherine Kleffner, blogger, The Nerdy Girl Express "A clever ebb and flow of colors and shapes that will have young readers, as well as the king, quickly seeing the errors of exclusionary ways."—Foreword Reviews "The Wall: A Timeless Tale is a joyful celebration of diversity, bar none!" —Storywraps "Macri and Zanotti . . . make it clear that shutting people out only weakens a kingdom, and they do it with laughter, not argument." —Publishers Weekly This is a fixed-format

ebook, which preserves the design and layout of the original print book The Last Seven Pages Pushkin Press There has been a terrible mistake. Instead of having thirty classrooms side by side, Wayside School is thirty storeys high! (The builder said he was sorry.) Perhaps that's why all sorts of strange and unusual things keep happening – especially in Mrs Jewls's classroom on the very top floor. There's the terrifying Mrs Gorf, who gets an unusually fruity comeuppance; Terrible Todd, who always gets sent home early; and Mauricia, who has a strange ice-cream addiction. Meanwhile, John can only read upside down, and Leslie is determined to sell her own toes. From top to bottom, Wayside is packed with quirky and hilarious characters who are all brought to life in this new edition with delightful illustrations by Aleksei Bitskoff throughout. This is an unmissable, irrepressible story of mixed-up mayhem from Louis Sachar, the bestselling author of Holes. Based on a True Story MM Books When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her

story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would

gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a

powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.
