BROCK WALLS

The Secret Diaries of Miss Miranda
Cheever Harlequin

Who better to fight back the darkness of the world than the one responsible for most of it? Daylen, once known as the Great Bastard, the Scourge of Nations, Dayless the Conqueror, has lived in hiding since his presumed death. Burdened by age and tremendous guilt, he thinks his life is coming to an end. Unbeknownst to him he's about to embark on a journey towards redemption where his ruthless abilities might save the world. Many battles await with friends to be made and a past filled with countless crimes to confront, all the while trying to keep his

true identity a secret. Indeed, it might be too much if not for the fabled power awaiting him. Everfall is a world of perpetual day where the continents float in an endless sky. If one jumps from the continent they will fall for many hours before returning to the same place from which they fell. Skyships rule the air powered by shining sunstone and industrial darkstone. A legendary order of knights bears mystical powers which they use to hunt out the dreaded Shade, monsters that regular people turn into if trapped in darkness for the length of a fall. It is a world of enchanted swords, merciless monsters, mystical knights and hard magic, filled with tales of wonder and adventure.

A Dangerous Love Harlequin

In *The Archive and the Repertoire* preeminent performance studies scholar

Diana Taylor provides a new understanding of the vital role of performance in the Americas. From plays to official events to grassroots protests, performance, she argues, must be taken seriously as a means of storing and transmitting knowledge. Taylor reveals how the repertoire of embodied memory—conveyed in gestures, the spoken word, movement, dance, song, and other performances—offers alternative perspectives to those derived from the written archive and is particularly useful to a reconsideration of historical processes of transnational contact. *The Archive and the Repertoire* invites a remapping of the Americas based on traditions of embodied practice. Examining various genres of performance including demonstrations by the children of the disappeared in Argentina, the Peruvian theatre group

Yuyachkani, and televised astrological readings by Univision personality Walter Mercado, Taylor explores how the archive and the repertoire work together to make political claims, transmit traumatic memory, and forge a new sense of cultural identity. Through her consideration of performances such as Coco Fusco and Guillermo Gómez-Peña's show *Two Undiscovered Amerindians Visit* . . . , Taylor illuminates how scenarios of discovery and conquest haunt the Americas, trapping even those who attempt to dismantle them. Meditating on events like those of September 11, 2001 and media representations of them, she examines both the crucial role of performance in contemporary culture and her own role as witness to and participant in hemispheric dramas. *The Archive and the Repertoire* is a compelling demonstration of the many ways that the study of performance enables a deeper understanding of the past and present, of ourselves and others.

The Annotated Alice Wings

A USA TODAY, WASHINGTON POST, AND PUBLISHER'S WEEKLY BESTSELLER! The path to your life's work is difficult and risky, even scary, which is why few finish the journey. This book will help you discover your life's work to live a life that matters with passion and purpose. It's about the task you were born to do, your true life's work. Bestselling author and entrepreneur Jeff Goins explains how the search begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows you how to find their vocation and what to expect along the way. In *The Art of Work*, you'll learn: The seven stages of calling to discover your life's work How accidental apprenticeships differ from mentoring and why taking action is key How believing *The Myth of the Leap* can prevent you from achieving your dreams To live *The Portfolio Life* and how it can lead to your greatest satisfaction and best work Our hearts crave connection to a meaningful calling. *The Art of Work* illuminates the proven path for anyone who wants to embrace that calling and build a body of work they can be proud of. After a record-breaking sail from China,

Alexi de Warenne's moment of triumph quickly vanishes. At his welcoming party, his bewitching childhood friend Elysse O'Neill begins flirting with a shipmate, clearly punishing Alexi for his time at sea. But when Alexi finds Elysse desperately struggling in the man's arms, tragedy ensues. Within days, Alexi weds her to save her honor—and leaves her to forge a new life. Elysse de Warenne rules the ton with her wit and grace, but the whispers of "abandoned bride" follow her ruthlessly. Elysse will never reveal the truth: that she hasn't seen her husband in six years—and that they didn't even consummate their marriage! When Alexi unexpectedly returns to England, Elysse will do whatever it takes to win his heart and claim her place at his side....

Unleashed Sourcebooks, Inc.

This text sketches a critical account of the location of black intellectuals in the modern world following the end of racial slavery. The book explores the reactions of black writers to modernity's colour-coded promises, demonstrating the value of a politicized post-modernism in re-reading black cultural politics and political culture. The lives and writings of key African Americans such as Martin Delany, W.E.B. DuBois, Frederick Douglas and Richard Wright are examined in the light of their experiences outside the US in Europe and Africa. Gilroy provides an extensive discussion of black vernacular cultures, especially music.

It's stuffed with ideas on what's hip and hot, and how you can take

that trend and turn it into a name you love.

Dismemberment in the Medieval and Early Modern English Imaginary

Harlequin

Sex, Love, and Migration goes beyond a common narrative of women's exploitation as a feature of migration in the early twenty-first century, a story that features young women from poor countries who cross borders to work in low paid and often intimate labor. Alexia Bloch argues that the mobility of women is marked not only by risks but also by personal and social transformation as migration fundamentally reshapes women's emotional worlds and aspirations. Bloch documents how, as women have crossed borders between the former Soviet Union and Turkey since the early 1990s, they have forged new forms of intimacy in their households in Moldova, Ukraine, Belarus, and Russia, but also in Istanbul, where they often work for years on end. *Sex, Love, and Migration* takes as its subject the lives of post-Soviet migrant women employed in three distinct spheres—sex work, the garment trade, and domestic work. Bloch challenges us to decouple images of women on the move from simple assumptions about danger, victimization, and trafficking. She redirects our attention to the aspirations and lives of women who, despite myriad impediments, move between global capitalist centers and their home communities.

Sex, Love, and Migration Harvard University Press

Like a pagan god, Rolfe the Relentless rode into Castle Aelfgar to claim it as his prize--and Lady Alice as his bride. Lauded for his bravery in France, in England he was the hated enemy. Once ensconced in his new domain, Rolfe became determined to tame the Saxon beauty Ceidre, Alice's illegitimate sister, whose spirit and sensuality make him risk treason to have her--not Lady Alice--in his bed... Mysterious and seductive, she was no lady but a spy for the rebel cause of her noble half brothers. Refusing to bow to this arrogant warrior who ignited her forbidden passion, Ceidre was swept into a dangerous liaison tied to the fate of England and kings. Yet with his kisses on her lips, his skillful hands on her body, she would have to struggle not to surrender to... *The Conqueror*.

[Ultimate Toolbox](#) Crown

For over 130 years, Imperial Oil dominated Canada's oil industry. Their 1947 discovery of crude oil in Leduc, Alberta transformed the industry and the country. But from 1899 onwards, two-thirds of the company

was owned by an American giant, making Imperial Oil one of the largest foreign-controlled multinationals in Canada. *Imperial Standard* is the first full-scale history of Imperial Oil. It illuminates Imperial's longstanding connections to Standard Oil of New Jersey, also known as Exxon Mobil. Although this relationship was often beneficial to Imperial, allowing them access to technology and capital, it also came at a cost, causing Imperial to be assailed as the embodiment of foreign control of Canada's natural resources. Graham D. Taylor draws on an extensive collection of primary sources to explore the complex relationship between the two companies. This groundbreaking history provides unprecedented insight into one of Canada's most influential oil companies as it has grown and evolved with the industry itself.

Memory, Migration and (de)colonisation in the Caribbean and Beyond Harlequin

An infamous sea captain of the British Royal Navy, Devlin O'Neill is consumed with the need to destroy the man who brutally murdered his father. Having nearly ruined the Earl of Eastleigh financially, he is waiting to strike the final blow. And his opportunity comes in the form of a spirited young American woman, the earl's niece, who is about to set his cold, calculating world on fire.... Born and raised on a tobacco plantation, orphan Virginia Hughes is determined to rebuild her beloved Sweet Briar. Daringly, she sails to England alone, hoping to convince her uncle to lend her the funds. Instead, she finds herself ruthlessly kidnapped by the notorious Devlin O'Neill, and will soon find her best-laid plans thwarted by a passion that could seal their fates forever....

How I Paid for College Sourcebooks, Inc. The medieval and early modern English imaginary encompasses a broad range of negative and positive dismemberments, from the castration anxieties of Turk plays to the elite practices of distributive burial. This study argues that representations and instances of bodily fragmentation illustrated and performed acts of exclusion and inclusion, detaching not only limbs from bodies but individuals from identity groups. Within this context it examines questions of legitimate and illegitimate violence, showing that such distinctions largely rested upon particular acts' assumed symbolic meanings. Specific chapters address ways dismemberments manifested gender, human versus animal nature, religious and ethnic identity, and social rank. The book concludes by examining the afterlives of body parts,

including relics and specimens exhibited for entertainment and education, contextualized by discussion of the resurrection body and its promise of bodily reintegration. Grounded in dramatic works, the study also incorporates a variety of genres from midwifery manuals to broadside ballads.

The Baby Names Almanac 2011 Harper Collins

New York Times bestselling author Brenda Joyce weaves a spellbinding tale of love and danger that will linger long after the last page is turned. In *House of Dreams*, two aristocratic families, one English, one Spanish, have been tragically destined to come together time and again over centuries. Cassandra de Warenne spends her days in a quiet English manor, looking after her young niece while her sister Tracey lives the glamorous life of a jet-setter. When Cass meets Tracey's newest conquest, Antonio de la Barca, she isn't prepared for the intense and immediate attraction—an attraction that heralds something deeper, more powerful, and more dangerous than Cass could ever imagine. For the de Warrennes and the de la Barcas have a tangled history of horrendous heartbreak, bitter rivalry, and bloodshed that began 450 years ago, with one woman, Isabel, forsaken and betrayed by her family, her lover and her friends. Today, Isabel has summoned the two families together one final time—this time to complete a quest for vengeance from beyond the grave.

Wolf and the Dove Little Brown GBR Raised as a pirate's daughter, Amanda Carre has not been tutored in the finer social graces. Alone in the world, she has never depended on anyone, until fate intervenes when Cliff de Warenne rescues her from a mob at her father's hanging. Now she must set sail for England to find the mother she never knew, and her chaperone is an infamous ladies' man.... The greatest gentleman privateer of his era, Cliff knows honor demands that he see this beautiful wild child to London and into her socialite mother's arms. He's aware that Amanda is utterly unprepared for a debut in London's ton, so his only recourse is to become her guardian and champion her transformation into a lady—and find her a suitable match. But with every passing moment it becomes harder to deny his jealousy and ire—until Amanda makes her stunning debut, a lady at last. And when his passion is finally released, their love can no longer be denied.

A childhood trauma has left Lady Blanche Harrington incapable of all emotion, least of all love. Now circumstance demands she marry, and Blanche dreads choosing from her horde of fawning suitors. For one very eligible gentleman has not stepped forward.... A war hero and a recluse, Rex de Warenne has long admired Lady Blanche. Though fate and his own dark nature have robbed him of any hope for the kind of future such a lady deserves, Rex is determined to aid her—and keep his feelings to himself. But when their growing friendship leads to a night of shocking passion, Blanche's newfound memories threaten their fragile love...and Blanche's very life.

The Game Open access titles

With her mother's passing, Alexandra Bolton gave up on love to take care of her family. Now, with the Bolton name in disgrace due to her father's profligate ways, marrying an elderly squire might be the only way to save her family from absolute ruin. But when she meets the

infamous Duke of Clarewood, old dreams—and old passions—are awakened as never before. Yet she cannot accept his shocking proposition! He is the wealthiest, most powerful peer in the realm, and having witnessed the cold horror of marriage as a child, he has vowed never to wed. But Alexandra Bolton inflames him as no woman has ever done, and she also serves him his first rejection! Now Clarewood—who always gets what he wants—will choose which rules to play by. But when passion finally brings them together, a terrible secret threatens to tear them apart....

The Last Utopia Penguin

Torn from his Romany mother's arms as a small boy, Viscount Emilian St. Xavier has spent a lifetime ignoring the whispers of gypsy that follow him everywhere. A nobleman with wealth, power and privilege, he does not care what the gadjos think. But when the Romany come to Derbyshire with news of his mother's murder at the hands of a mob, his world implodes. And Ariella de Warenne is the perfect object for his lust and revenge.... Ariella de Warenne's heritage assures her a place in proper society, though as a radical and independent thinker she

scorns her peers' frivolous pursuits in the Ton, fashion and marriage. Until a Roma camp arrives at Rose Hill, and she finds herself drawn to their charismatic leader, Emilian. Even when he warns her away, threatening that he intends to seduce and destroy her, she cannot refuse him. For Ariella is just as determined to fight for their dangerous love....

1100 Words You Need to Know Harper Collins

A scholarly analysis accompanies the text of Carroll's work about Alice.

The Prize Amsterdam University Press

A deliciously funny romp of a novel about one overly theatrical and sexually confused New Jersey teenager's larcenous quest for his acting school tuition It's 1983 in Wallingford, New Jersey, a sleepy bedroom community outside of Manhattan. Seventeen-year-old Edward Zanni, a feckless Ferris Bueller-type, is Peter Panning his way through a carefree summer of magic and mischief. The fun comes to a halt, however, when Edward's father remarries and refuses to pay for Edward to study acting at Juilliard. Edward's truly in a bind. He's ineligible for scholarships because his father earns too much. He's unable to contact his mother because she's somewhere in Peru trying to

commune with Incan spirits. And, as a sure sign he's destined for a life in the arts, Edward's incapable of holding down a job. So he turns to his loyal (but immoral) misfit friends to help him steal the tuition money from his father, all the while practicing for his high school performance of Grease. Disguising themselves as nuns and priests, they merrily scheme their way through embezzlement, money laundering, identity theft, forgery, and blackmail. But, along the way, Edward also learns the value of friendship, hard work, and how you're not really a man until you can beat up your father—metaphorically, that is. *How I Paid for College* is a farcical coming-of-age story that combines the first-person tone of David Sedaris with the byzantine plot twists of Armistead Maupin. It is a novel for anyone who has ever had a dream or a scheme, and it marks the introduction to an original and audacious talent.
