Want to Play? is the first book in P.J. Tracy's bestselling Twin Cities series. The slaying of an old couple in small town America looks like one-off act of brutal retribution. But at the same time, in

Minneapolis, teams of detectives scramble to stop a sickeningly inventive serial killer striking again in a city paralysed by fear. When the two separate investigations converge on an isolated catholic boarding school, decades old secrets begin to fall away. It seems an old killer has resurfaced. Yet still the killer's real identity remains

dangerously out of reach . . . Want to Play? introduces P.J. Tracy's cult thriller characters Grace MacBride and Detectives Gino and Magozzi. Follow their journeys in the rest of the series: Live Bait, Dead Run, Snow Blind, Play to Kill and Two Evils. Praise for P.J. Tracy: 'The thriller debut of the year' Harlan Coben 'Fast paced . . . a gripping read' Guardian

 What dangers do runaway demigods Luke and Thalia face on their way to Camp Half-Blood? Are Percy and Annabeth up to the task of rescuing stolen goods from a fire-breathing giant who doesn't take kindly to intruders? How exactly are Leo, Piper, and Jason supposed to find a runaway table, dodge a band of party-loving Maenads (who just might be a little psychotic), and stave off a massive explosion...all in one hour or less? With his trademark wit and

creativity, Rick Riordan answers these questions and more in three never-before-seen short stories that provide vital backstory to the Heroes of Olympus and Percy Jackson books. Original art, enlightening character interviews and profiles, puzzles, and a quiz add to the fun in this action-packed collection.

A Longmire Mystery

Ballantine Books
 From the #1 New York Times bestselling author of the Percy Jackson and the Olympians series The Edgar, Shamus, and

Anthony award-winning Rick Riordan delivers a spellbinding novel of a man on an edge so extreme that his fall will destroy not only him--but all that he holds dear. Cold Springs Chadwick's life was balanced on a knife's edge--his career, his marriage, his relationship with his dangerously troubled daughter. And then one autumn night, the worst possible thing happened.... Now, a decade later, Chadwick's heart is on the mend. Working for an old

military buddy, he saves kids for a living, escorting troubled teens to a Texas wilderness school that specializes in the toughest brand of love. Until he gets a phone call that threatens to shatter his new life. Mallory Zedman is taking the same terrible path Chadwick's own daughter once took. Defiant and out of control, Mallory is determined to destroy herself and anyone who tries to stop her. No sooner does Chadwick snatch her off the streets than he discovers she is

wanted for questioning in a brutal murder--a slaying that seems directly linked to Chadwick's past. To save Mallory, tough love will not be enough. Chadwick must find the truth behind the murder--and in doing so revisit the infidelities, shattered promises, and violent passions that cracked his world apart. And he must jeopardize the one thing he still has left to lose--a slim hope of redemption. *Double Whammy* Penguin Books

Everything in Texas is

Meet Tres

Navarre—tequila drinker,

Tai Chi master, and

unlicensed P.I., with a

penchant for Texas-size

trouble. Jackson “Tres”

Navarre and his

enchilada-eating cat,

Robert Johnson, pull into

San Antonio and find

nothing waiting but

trouble. Ten years ago Navarre left town and the memory of his father's murder behind him. Now he's back, looking for answers. Yet the more Tres digs, trying to put his suspicions to rest, the fresher the decade-old crime looks: Mafia connections, construction site payoffs, and slick politicians' games all conspire to ruin his homecoming. It's obvious Tres has stirred up a hornet's nest of trouble. He gets attacked, shot at, run over by a big blue Thunderbird—and his old

girlfriend, the one he wants back, is missing. Tres has to rescue the woman, nail his father's murderer, and get the hell out of Dodge before mob-style Texas justice catches up to him. The chances of staying alive looked better for the defenders of the Alamo. “Riordan writes so well about the people and topography of his Texas hometown that he quickly marks the territory as his own.”—Chicago Tribune Don't miss any of these hotter-than-Texas-chili Tres Navarre novels: BIG

Big City, Bad Blood

From the #1 New York
Times bestselling author
of the Percy Jackson and
the Olympians series For
Tres Navarre, English
professor turned private
investigator, business has
lately taken a drastic turn
south. But if chasing down
bail jumpers, adulterous
spouses, and workmen's
comp cases seemed like
the dregs of the PI game,
it was at least a living. Not
as much could be said for
tracking down a man like
Will "the Ghost" Stirman.

The stone-cold killer has
just staged a bloody
escape from the
Floresville State
Penitentiary with a gang
of violent cons as spooked
by Stirman as those on
the outside who helped
put him behind bars. And
no one seems more
worried than Navarre's
boss and mentor, Erainya
Manos. It was her
husband along with rival
PI Sam Barrera who built
the case that sent Stirman
away. But Erainya's
husband is dead and she's
certain Stirman won't let
that stand in the way of

his taking revenge against her and her adopted son. All of Navarre's instincts are screaming that there's more to this case than meets the eye. But Erainya won't tell him—and Sam Barrera seems to be escaping into a strange twilight from a truth too terrible to remember. That leaves Tres to dig into a twisted mystery of greed, vigilantism, and murder, where lives are bought and sold and the line between guilt and innocence is razor-thin. Meanwhile, Stirman and

his gang are coming, leaving behind them a trail of brutal, unforgiving violence that will end in an area of San Antonio known as Southtown—but that may soon just as well be called hell on earth.
