Tips. Phrase Searching
You can use double
quotes to search for a
series of words in a
particular order. For
example, "World war II"
(with quotes) will give

more precise results than
World war II (without
quotes). Wildcard
Searching If you want to
search for multiple
variations of a word, you
can substitute a special
symbol (called a
"wildcard") for one or
more
letters. Spectrophysics :
