For two
semester/quarter
courses on Introduction
to the Humanities or
Cultural Studies. The
Humanities by Henry
M. Sayre helps
students see context
and make connections
across the humanities

by tying together the
entire cultural
experience through a
narrative storytelling
approach. Henry Sayre
took the introduction to
the humanities course
as a sophomore and
was inspired to devote
his life to the study of
the humanities. He has
always wanted to write
a book that passes
along the important
and compelling stories
of the humanities.
Henry believes that
students learn best by
remembering stories,
not by memorizing
facts. What makes The
Humanities special is
that it tells the stories
and captures the
voices that have

shaped and influenced human thinking and creativity.
