## ROCCO BOWERS

The Tumor Penguin  
 Theodore Boone is back on the case in an all-new adventure! Bestselling author John Grisham delivers a page-turning legal thriller for a new generation of readers. Theo has been worried about his good friend Woody Lambert. Woody is struggling at school and making bad choices. But when Woody is arrested—an unwitting accomplice to armed robbery—Theo knows he is innocent. Racing the clock while Woody sits in jail, Theo will do everything in his power to help his friend and save Woody from an unforgiving system where justice is not equal for all. Brimming with the intrigue and suspense that made John Grisham a

#1 international bestseller and undisputed master of the modern legal thriller, Theodore Boone's trials and triumphs will keep readers hooked until the very last page.

 #1 NEW YORK TIMES BESTSELLER • Jake Brigance is back! The hero of *A Time to Kill*, one of the most popular novels of our time, returns in a courtroom drama that *The New York Times* says is "riveting" and "suspenseful." Clanton, Mississippi. 1990. Jake Brigance finds himself embroiled in a deeply divisive trial when the court appoints him attorney for Drew Gamble, a timid sixteen-year-old boy accused of murdering a local deputy. Many in Clanton want a swift trial and the death penalty, but Brigance digs in and discovers that there is more to the story than meets the eye. Jake's fierce commitment to saving Drew from the gas chamber puts his

career, his financial security, and the safety of his family on the line. In what may be the most personal and accomplished legal thriller of John Grisham's storied career, we deepen our acquaintance with the iconic Southern town of Clanton and the vivid cast of characters that so many readers know and cherish. The result is a richly rewarding novel that is both timely and timeless, full of wit, drama, and—most of all—heart. Bursting with all the courthouse scheming, small-town intrigue, and stunning plot twists that have become the hallmarks of the master of the legal thriller, *A Time for Mercy* is John Grisham's most powerful courtroom drama yet. There is a time to kill and a time for justice. Now comes *A Time for Mercy*.

For #1 New York Times bestselling author Sue Grafton's PI Kinsey Millhone, danger comes with the job—but she never expects to find herself at the top of a hit man's list... *G IS FOR GAME*... When Irene Gersh asks PI Kinsey Millhone to locate her elderly mother Agnes, whom she hasn't heard from in six months, it's not exactly the kind of case Kinsey jumps for. But a girl's gotta pay her bills, and this should be easy money—or so she thinks. Kinsey finds Agnes in a hospital. Aside from her occasional memory lapses, the octogenarian seems fine. And frightened. *G IS FOR GUN*... Kinsey doesn't know what to make of Agnes's vague fears and bizarre ramblings, but she's got her own worries. It seems Tyrone Patty, a criminal she helped put behind bars, is looking to make a hit. First, Kinsey's car is run off the road, and then days later, she's almost gunned down, setting in motion a harrowing cat and mouse game... *G IS FOR GUMSHOE* So Kinsey decides to hire a bodyguard. With PI Robert Dietz watching her 24/7, Kinsey is feeling on edge...especially with their growing sexual tension. Then, Agnes dies of an apparent homicide, Kinsey realizes the old lady wasn't so senile after all—and maybe she was trying to tell her something? Now Kinsey's determined to learn the truth...even if it kills her. #1 NEW YORK TIMES BESTSELLER • Once he was a well-liked, well-paid young partner in a thriving Mississippi law firm. Then Patrick Lanigan stole ninety million dollars from his own firm—and ran for his life. For four years, he evaded men who were rich and powerful, and who would stop at nothing to find him. Then, inevitably, on the edge of the Brazilian jungle, they finally tracked him down. Now Patrick is coming home. And in the Mississippi city where it all began, an extraordinary trial is about to begin. As prosecutors circle like sharks, as Patrick's lawyer prepares his defense, as Patrick's lover prays for his deliverance and his former partners wait for their revenge, another story is about to emerge. Because Patrick Lanigan, the most reviled white-collar criminal of his time, knows something that no one else in the world knows. He knows the truth.

John Grisham says *THE TUMOR* is the most important book he has ever written. In this short book, he provides readers with a fictional account of how a real, new medical technology could revolutionize the future of medicine by curing with sound. *THE TUMOR* follows the present day

experience of the fictional patient Paul, an otherwise healthy 35-year-old father who is diagnosed with a malignant brain tumor. Grisham takes readers through a detailed account of Paul's treatment and his family's experience that doesn't end as we would hope. Grisham then explores an alternate future, where Paul is diagnosed with the same brain tumor at the same age, but in the year 2025, when a treatment called focused ultrasound is able to extend his life expectancy. Focused ultrasound has the potential to treat not just brain tumors, but many other disorders, including Parkinson's, Alzheimer's, hypertension, and prostate, breast and pancreatic cancer. For more information or to order a free hardcopy of the book, please visit The Focused Ultrasound Foundation's website [www.fusfoundation.org](http://www.fusfoundation.org). Here you will find a video of Grisham on the TEDx stage with the Foundation's chairman and a Parkinson's patient who brings the audience to its feet sharing her incredible story of a focused ultrasound "miracle." Readers will get a taste of the narrative they expect from Grisham, but this short book will also educate and inspire people to be hopeful about the future of medical innovation.

#1 NEW YORK TIMES BEST SELLER • In his final hours in the Oval Office, the outgoing President grants a controversial last-minute pardon to Joel Backman, a notorious Washington power broker who has spent the last six years hidden away in a federal prison. What no one knows is that the President issues the pardon only after receiving enormous pressure from the CIA. It seems Backman, in his power broker heyday, may have obtained secrets that compromise the world's most sophisticated satellite surveillance system. Backman is quietly smuggled out of the country in a military cargo plane, given a new name, a new identity, and a new home in Italy. Eventually, after he has settled into his new life, the CIA will leak his whereabouts to the Israelis, the Russians, the Chinese, and the Saudis. Then the CIA will do what it does best: sit back and watch. The question is not whether Backman will survive—there is no

chance of that. The question the CIA needs answered is, who will kill him?
