She Is Not Invisible Random House

On a cold Sunday evening in early 1957, Sarah Dewhurst waited with her father in the parking lot of the Chevron gas station for the dragon he'd hired to help on the farm... Sarah Dewhurst and her father, outcasts in their little town of Frome, Washington, are forced to hire a dragon to work their farm, something only the poorest of the poor ever have to resort to. The dragon, Kazimir, has more to him than meets the eye, though. Sarah can't help but be curious about him, an animal who supposedly doesn't have a soul but who is seemingly intent on keeping her safe. Because the dragon knows something she doesn't. He has arrived at the farm with a prophecy on his mind. A prophecy that involves a deadly assassin, a cult of dragon worshippers, two FBI agents in hot pursuit—and somehow, Sarah Dewhurst herself.

 In March 1807, the British Parliament passed an Act making the trading and transportation of slaves illegal. It was many years before slavery, as it was known then, was abolished, and slavery still continues today in different ways, but it was a big step forward towards the emancipation of a people. Malorie Blackman has drawn together some of the finest of today's writers and poets to contribute to this important anthology. Their short stories and poems sit alongside first-hand accounts of slavery from freed slaves, making a fascinating and absorbing collection that remembers and commemorates one of the most brutal and long-lasting inflictions of misery that human beings have inflicted upon other human beings.
