 In 1950, when he commissioned the first edition of *The Armed Forces Officer*, Secretary of Defense George C. Marshall told its author, S.L.A. Marshall, that "American military officers, of whatever service, should share common ground ethically and morally." In this new edition, the authors methodically explore that common ground, reflecting on the basics of the Profession of Arms, and the officer's special place and distinctive obligations within that profession and especially to the Constitution.

Navy Correspondence Manual Naval Institute Press
 A clear and complete guide to bibliographic and footnoting style for citing on-line information fills a desperate need for coherent rules for these citations, as well as gives guidelines for formatting documents for online preparation, and much more. Simultaneous. UP.

Reference 1999, 70 pages OCCUPATIONAL MEDICINE FIELD OPERATIONS MANUAL, 120 pages Readiness Guide for Female Airmen, 32 pages

Marine Corps Manual, 1940 DIANE Publishing
 How does the U.S. Coast Guard create, instill, and maintain leadership throughout a 40,000 member force spread across the United States? A former Commandant of the U.S. Coast Guard and a best-selling author combine their knowledge of the subject to offer a formula for success. Donald T. Phillips, who has written eight books on leadership, asserts that the Coast Guard is a superlative example of an organization with effective leadership, loaded with leaders at all levels. From a guardsman scraping barnacles off buoys in the Gulf of Mexico to the captain of a cutter in the Gulf of Alaska to the Commandant in Washington, they know exactly what leadership is, how it works, and why it is important. This case study in leadership uses the Coast Guard as an example for other organizations who want to imbue leadership to every single one of its members. An effective leadership beacon, the book is replete with tangible examples, vivid anecdotes, and explicit guidelines on how to instill leadership throughout an entire organization. Stories abound on Coast Guard efficiency, innovation, and heroism and many are used to illustrate the service's effectiveness and to engage the reader. From the military and government communities to the business world, a variety of organizations can benefit from this outstanding leadership guide.

Merchant Marine Safety Manual Jeffrey Frank Jones
 1. PURPOSE. This Manual establishes policies and standards for the administration of the Coast Guard External Affairs Program for both Coast Guard Headquarters and the field. 2. ACTION. All Coast Guard commanders, commanding officers, officers-in-charge, deputy/assistant commandants, and chiefs of headquarters staff elements shall comply with the provisions of this Manual. Internet release is authorized. 3. DIRECTIVES AFFECTED. The Coast Guard Public Affairs Manual, COMDTINST M5728.2 (series), Coast Guard Partnership with First Book, COMDTINST 5350.5 (series), Retired Flag Officer Biographical Material/Requirements, COMDTINST 5700.3 (series), and The Coast Guard Engagement Framework, COMDTINST 5730.2 (series) are canceled. All Commandant directives referencing the Public Affairs Manual and The Coast Guard Engagement Framework are now directed to this Manual

and Reference (a).

IAMSAR Manual MICHIE

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
