A retelling of the adventures and enduring love of Robin Hood and Maid Marian finds them involved in political intrigue and personal betrayals

Doctor Who: The Return of Robin Hood Dramatic Publishing

Although nearly everyone has heard the name of Robin Hood, few have actually read any medieval tales about the legendary outlaw. Stephen Knight and Thomas Ohlgren set out to correct this discrepancy in their comprehensive collection of all pre-seventeenth-century Robin Hood tales. The editors include such other "outlaw" figures as Hereward the

Wake, Eustache the Monk, and Fouke le Fitz Waryn to further contextualize the tradition of English outlaw tales. In this text the figure of Robin Hood can be viewed in historical perspective, from the early accounts in the chronicles through the ballads, plays, and romances that grew around his fame and impressed him on our fictional and historical imaginations. This edition is particularly useful for classrooms, with its extensive

introductions, notes, and glosses, enabling students of any level to approach the texts in their original Middle English.

Robyn Hood #1 UNM Press

After a fateful hunting accident sends her on the run from the law, Robyn finds herself deep in the heart of Sherwood Forest. All she really wants to do is provide for her family and stay out of trouble, but when the damnable Sheriff of Nottingham levies the largest tax in the history of England, she's forced to take matters into her own hands. Relying on the help of her merry band of misfits and the Sheriff's intriguing—and off-limits—daughter, Marian, Robyn must find a way to pull off the biggest heist Sherwood has ever seen. With both heart and freedom at stake, just how much is she willing to risk to ensure the safety of the ones she loves?

Nottingham is a delightful romp rife with bois bearing bows, transmen wielding quarterstaves, noble ladies loving ladies bawdy bisexual musicians, naughty nonbinary outlaws, and saucy sapphic nuns—in other words, Robyn Hood like you've never seen her before.

Robin Hood Elsevier Health Sciences
Robin Hood is the best-loved outlaw of all

time. In this edition, Henry Gilbert tells of the adventures of the Merry Men of Sherwood Forest - Robin himself, Little John, Friar Tuck, Will Scarlet, and Alan-a-Dale, as well as Maid Marian, good King Richard, and Robin's deadly enemies Guy of Gisborne and the evil Sheriff of Nottingham.

Robin Hood Zenescope Entertainment
Robin Hood is one of the most enduring and well-known figures of English folklore. Yet who was he really? In this intriguing book, Lesley Cote reexamines the early tales about Robin in light of the stories, both English and French, that have grown up around them—stories with which they shared many elements of form and meaning. In the process, she returns to questions such as where did Robin come from, and what did these stories mean? The Robin who reveals himself is as spiritual as he is secular, and as much an insider as he is an outlaw. And in the context of current debates about national identity and Britain's relationship with the wider world, Robin emerges to be as European as he is English—or perhaps, as Cote suggests, that is precisely the quality which made him fundamentally

English all along.

In the lands of Myst a tyrant rules the city of Bree with an iron fist leaving its citizens living in fear and terror. But all hope is not lost when one man takes the first steps to finding the one person who might save them all. Meanwhile on earth Robyn has had a troubled life for many years since her mother's death. In and out of foster homes Robyn now finds herself transferred to a

high class high school filled with the rich and over privileged. But when Robyn crosses one of the popular kids she will learn first hand the extent of torture they are willing to go to against those who transgressed against them.

Lady of Locksley Penguin UK

Robin Hood lives... When Clare Gisborne and Little John returns to school after the Locksley Riot, there's rebellion in the air and Robin Hood's name graffitied on every wall. Power dynamics are shifting - now, instead of being a feared bully, the daughter of Locksley's most hated criminal finds herself shunned by classmates and pelted with yoghurt and rotting fruit. Meanwhile at Sherwood Designer Outlets, Robin has plans of his own. He is determined to hack Sheriff Marjorie's office so that the rebels know her every move - and to work with animal rights activists to end a cruel trophy hunt inside the grounds of Sherwood Castle... Praise for Robin Hood: Hacking, Heists & Flaming Arrows: 'Muchamore writes with tremendous energy and his dialogue flies as fast as Robin's arrows ... A new series that strikes the bullseye.' - The Times 'Intensely readable, outrageously enjoyable action.' -

There's two sides to every story . . . this time it's Robin Hood and Maid Marian like you've never seen them before.

Fix It! Grammar: Robin Hood [Book 2 Teacher/Student Combo] Zenescope

The bandit and his merry men ramble through the Sherwood Forest in England, stealing from those who are weighed down with too much gold and giving the plunder to villagers who don't have enough money to feed themselves.

Robin Hood: Legend and Reality Reaktion

Books

A ragtag band of misfits gets swept up in Holy Land politics in *Travelers Along the Way* by Aminah Mae Safi, a thrilling YA remix of the classic legend of Robin Hood. Jerusalem, 1192. The Third Crusade rages on. Rahma al-Hud loyally followed her elder sister Zeena into the war over the Holy Land, but now that the Faranji invaders have gotten reinforcements from Richard the Lionheart, all she wants to do is get herself and her sister home alive. But Zeena, a soldier of honor at heart, refuses to give up the fight while Jerusalem remains in danger of falling back into the hands of the false Queen Isabella. And so, Rahma has no choice but to take on one final mission with her sister. On their journey to Jerusalem, Rahma and Zeena come across a motley collection of fellow travelers—including a kind-hearted Mongolian warrior, an eccentric Andalusian scientist, a frustratingly handsome spy with a connection to Rahma's childhood, and an unfortunate English chaplain abandoned behind enemy lines. The teens all find solace, purpose and camaraderie—as well as a healthy bit of mischief—in each other's company. But

their travels soon bring them into the orbit of Queen Isabella herself, whose plans to re-seize power in Jerusalem would only guarantee further war and strife in the Holy Land for years to come. And so it falls to the merry band of misfits to use every scrap of cunning and wit (and not a small amount of thievery) to foil the usurper queen and perhaps finally restore peace to the land. Praise for *Travelers Along the Way*: "Rousing ... Wholly original in its cultural perspective and its centering of strong female characters. ... By creating an almost all-female cast, Safi makes women the heart of her story at a time when they were seen as a 'bargaining chip.'" —Shelf Awareness, starred review "If you love heists, found family, and stealing from the rich and giving to the poor, then put Aminah Mae Safi's heartfelt and humorous take on Robin Hood at the very top of your TBR." —Jodi Meadows, New York Times bestselling co-author of *My Lady Jane*

 Bywater Books
 You have heard the legend, now read the real story. Until now, the fug of half-truth and legend has hidden from us a

momentous battle that took place in the English countryside 650 years ago. For years Robin Hood and his merrie men fought a guerilla campaign against utterly ruthless forces. Who was he? Where did he come from? And his merrie men? Who was Maid Marion? Why did he feel forced to fight against all the odds? At last, these and many other questions can be answered when you follow one man's quest for justice, Robin Hood, who gathers a band of devoted followers around him, his 'merrie men'. Here is a brilliant retelling of the story that has fascinated every generation of English people. You are able to feel you are living in those stirring revolutionary times.

Robin Hood, the One Who Looked Good in Green (Twice Upon a Time #4) Childrens Press

Carrie Vaughn's *The Ghosts of Sherwood* revisits the Robin Hood legend with a story of the famed archer's children. Everything about Father is stories. Robin of Locksley and his one true love, Marian, are married. It has been close on two decades since they beat the Sheriff of Nottingham with the help of a diverse band of talented friends. King John is now on the throne,

and Robin has sworn fealty in order to further protect not just his family, but those of the lords and barons who look up to him – and, by extension, the villagers they protect. There is a truce. An uneasy one, to be sure, but a truce, nonetheless. But when the Locksley children are stolen away by persons unknown, Robin and Marian are going to need the help of everyone they've ever known, perhaps even the ghosts that are said to reside deep within Sherwood. And the Locksley children, despite appearances to the contrary, are not without tricks of their own... [Travelers Along the Way: A Robin Hood Remix](#) Sterling Publishing Company, Inc.
 Ho for the good green wood! Ho for brave Robin Hood! The adventures that flowed from the pen of Alexandre Dumas are well loved. Less known today are his tales of Robin Hood. It is our pleasure to provide these two old works to a new public: readers of the 21st Century. English versions of "The Prince of Thieves" and "Robin Hood the Outlaw" have virtually disappeared from bookshelves; they are

now edited, corrected, and made accessible to the world in print and e-formats, by the Reginetta Press. This volume continues the story begun in "The Prince of Thieves." Read more of Robin and Marian's romance, and learn of Robin's unlucky betrayal by a woman; of Robin's valiant leadership of the Merrie Men including Little John, Will Scarlett, and Friar Tuck; their battles against the Sheriff of Nottingham – and the craven Prince John. Outwitting crafty ecclesiastics along the way, Robin at last bows to King Richard Coeur-de-Lion. Retold in Alfred Allinson's lush translation from the original French, the hero's adventure winds to a stirring conclusion.

Princess Ahira Tordotcom

Robin Hood famously "stole from the rich to give to the poor". This illustrated picture book brings his legend to life for little children. When Jack's father is arrested by the evil Sheriff of Nottingham, Jack enlists the help of Robin Hood to break his dad out of the castle.

Taking from the rich and giving to the poor, Robin Hood and loyal followers fight for the oppressed against the evil Sheriff of Nottingham. Written in graphic-novel format. These reader-favorite titles are now updated for enhanced Common Core State Standards support, including discussion and writing prompts developed by a Common Core expert, an expanded introduction, bolded glossary words and dynamic new covers.

Robin Hood Bloomsbury Publishing USA

Ahira isn't a typical princess. When she's kidnapped by dragons on her sixteenth birthday she declares it the best thing that has ever happened to her. No more etiquette lessons! Assigned to a powerful but extremely messy dragon named Azmaveth, Ahira soon makes friends with the magical creatures around her new home. Even cleaning up after Azmaveth and putting up with his failed magic experiments isn't too bad, until he forces her to work with his human steward, Kohath. Kohath is a piece of work. His bossy attitude combined with his lack of personal space makes him the most infuriating male Ahira has ever met. He's also hiding a huge secret. But war is looming with the Valkyrie, and not even the dragons are immune to political maneuvering. A surprise betrayal breaks Ahira's heart and sends her packing back to her old home. If she does nothing she'll never see Azmaveth, Kohath, or the rest of her magical friends again. Happily ever afters don't come easy, but this princess just might be willing to fight for hers.
