The Model Rules of Professional Conduct

provides an up-to-date resource for
information on legal ethics. Federal, state
and local courts in all jurisdictions look to
the Rules for guidance in solving lawyer
malpractice cases, disciplinary actions,
disqualification issues, sanctions questions
and much more. In this volume, black-
letter Rules of Professional Conduct are
followed by numbered Comments that
explain each Rule's purpose and provide
suggestions for its practical application.
The Rules will help you identify proper
conduct in a variety of given situations,
review those instances where
discretionary action is possible, and define

the nature of the relationship between you
and your clients, colleagues and the
courts.

Microsoft Excel continues to grow in power, sophistication, and capability, but one thing that has changed very little since the early '90s is its user interface. The once-simple toolbar has been packed with so many features over the years that few users know where to find them all. Microsoft has addressed this problem in Excel 2007 by radically redesigning the user interface with a tabbed toolbar that makes every feature easy to locate and use. Unfortunately, Microsoft's documentation is as scant as ever, so even if users can find advanced features,

they probably won't know what to do with them. *Excel 2007: The Missing Manual* covers the entire gamut of how to build spreadsheets, add and format information, print reports, create charts and graphics, and use basic formulas and functions. Like its siblings in the Missing Manual series, this book crackles with a fine sense of humor and refreshing objectivity about its subject, guiding readers through the new Excel with clear explanations, step-by-step instructions, lots of illustrations, and friendly, time-saving advice. It's a perfect primer for small businesses with no techie to turn to, as well as those who want to organize household and office information. *On Screen B1+* "O'Reilly Media, Inc."

Our World is a six-level primary series in American English that uses fun and fascinating National Geographic content, with stunning images and video, to give young learners the essential English language, skills, and knowledge they need to understand their world.

Gold Experience 2nd Edition B2 Teacher's Resource Book "O'Reilly Media, Inc."
Student Book: Specific listening and word skills lessons, to help develop well-rounded, confident communicators.

Student Book: Additional resources, including exam skills trainer sections and extra speaking practice help consolidate what students have covered in the lessons. Student Book: Exam skills trainer sections prepare students for typical school-leaving/Cambridge tasks, and provide them with the language, strategies, and exam skills they need to achieve success. Student Book: Culture Bank includes 9 ready-to-use culture lessons linked to the topic and language of the main units, providing extra reading and listening practice. Online Practice: A particular focus on more in-depth practice of grammar, vocabulary, reading, writing, listening, and speaking skills. Online Practice: Media-rich content (vox pops, vlogs, grammar animations) with interesting and engaging topics and texts. Online Practice: Automatic marking with instant feedback, and progress tracked in the gradebook to save time. Online Practice: Content aligned to the CEFR and the Solutions syllabus which complements and extends the contents of the book. *Objective First Student's Book with Answers with CD-ROM* Peterson Nelnet Company

The Solutions 2nd Edition Workbook supports the Student's Book content with plenty of extra practice and revision. Close-Up EMEA Work Book Macmillan ELT A focused, 50-60 hour course for the revised Cambridge English: Advanced (CAE) exam from 2015. The Student's Book with answers provides C1-level students with thorough preparation and practice needed for exam success. All four of the revised exam papers are covered. 'Quick steps' and Writing and Speaking guides explain what to expect in the exam, and provide strategies on approaching each paper, model answers, useful expressions and further practice. The accompanying CD-ROM provides interactive language and skills practice. There are two complete practice tests for teachers to access online. Audio required for the Student's Book listening exercises is available on Class Audio CDs or in the Student's Book Pack, both available separately. MyGrammarLab INTERMEDIATE Cengage Learning Collocations are combinations of words which frequently appear together. Using them makes your English sound more

natural. Presents and explains approximately 1,500 word combinations in typical contexts using tables, charts, short texts and dialogues.

Click On 2b Cambridge University Press English File Third Edition Upper-Intermediate is suitable for CEFR level B2. English File Third Edition provides a comprehensive package of completely new lessons, and up-to-date texts. A proven balance of grammar, vocabulary

and pronunciation and skills gives students the language they need, and fresh, lively lessons and engaging topics make classes enjoyable and provide the motivation and opportunity to practice and improve. Oxford iTools are digital resources to meet your English language teaching and learning needs. Specifically designed for use on interactive whiteboards, Oxford iTools can also be used with data projectors and PCs or laptop computers. The English File iTools package provides the complete Student's Book, Workbook and Teacher's Book photocopiables on screen as well as interactive activities that provide whole-class fun practice of key vocabulary and grammar. The video material is integrated into the pages, making it easy to access, and audio tracks can be played by clicking

on the page. You can choose to display the script, and if you do, the words are automatically highlighted as they are spoken making it easy for students to follow, and linking listening with reading practice too. Integrated answer keys make self or peer marking much simpler as students will be able to see the correct answer on screen. It offers you the facility to hide parts of the page, highlight text on a page or type notes/answers on to the page during the lesson. The link tool also allows you to add links to websites to support your lesson material, accessible by a single click.
